This was a year of firsts: First time a State Convention was held at a Casino Resort. First time workshops were not given at Convention but instead were given at the State Council Meetings. I think cutting report time was necessary to hold the attendees' attention, therefore attendance was up at State Council Meetings and Convention, meetings moved quickly and everyone got to go home at a decent hour. We had two Dream Homes this year, one in Jenks, Ok and the other one in Yukon, Ok. This year we gave St. Jude \$480,682.70 at IC Convention.
