Dancing with your Oklahoma State President Gwynn Nell Swanson

July 18, 2011 – All packed and ready to leave to Overland Park, KS for the 64th Annual IC Convention. Ramona Paine-Means drove down that morning to ride with us along with Wanda Morrow arriving about the same time. Went to pick up Nancy Buck and got on the road to Claremore to pick up Sue Knight. Needless to say the car was loaded! It was a really neat trip to travel with my sisters. Talking all the way seemed to make the drive shorter. Oh, my gosh! I have 3 Sooner Seniorettes in my car!! Boy, do I have to be nice!!! Arrived at the hotel in Overland Park about 4 pm. Checked in our rooms then went down to register. I participated in quite a few events during that week. The ESA Foundation Fund Fest is always fun to attend. I helped set up, monitored the auction tables and did some shopping myself. Up Wednesday morning to attend the State President's Workshop. That evening helped with the Convention Site tables promoting the 2012 IC Convention in Oklahoma, attended the Welcome Party & Dinner and went to the opening ceremonies rehearsal. Thursday morning the first General assembly started off with the Flag ceremony in which I was honored to represent our GREAT State of Oklahoma by carrying the Oklahoma State Flag and attended the PICPA No-Host Luncheon. This was the first time I have attended such an event and really enjoyed it. Earlier that evening, all of the Oklahoma members car-pooled to the home of Robbin Brown's mother. She graciously opened her home to us for dinner and the state caucus; went back to the hotel to attend the Mystery Night event. Friday attended the Second General assembly, presided over the Central State Regional council meeting along with Marsha Barnes of Kansas. That evening five of us went to check out the Casino. The banquet on Saturday evening was exciting and the installation of 2011-2012 IC President, Rose Pasillas was beautiful. The astonishing amount for St. Jude was \$9,142,732.00! Sunday morning packed up all the memories and headed home. What a fun time at IC Convention. Seeing all of my friends and making new ones will last forever.

July 29-30, 2011 – Dan & I attended one of my family reunions in Madill, OK. If you have not eaten good fried catfish lately, you need to go and eat at Catfish Platter just north of the border of Oklahoma and Texas on Hwy 377. It is the best fried catfish you will ever eat!! Catfish Platter caters our reunion every year on Friday night.

August 11, 2011 – Friday night we gathered at the Holiday Inn in Norman for the 2012 State convention planning meeting. Lots of items were discussed and plans are coming together for a fun week end at the 2012 State Convention. After the meeting we all gathered in my room for snacks, drinks and socializing.

August 12, 2011 – The August Leadership Seminar was fun. My two guest speakers were very informative and enjoyable to listen to. The first speaker was Diane Hamill of Ardmore and she represented the DAR (Daughters of the American Revolution). Her power-point program showed us the many ways that DAR and ESA were similar. The second speaker was Andrea Robinson, Robbin Brown's daughter. Her speech on "The Basic Principals of Leadership" was excellent. We enjoyed several other speakers, skits, laughter, a good lunch and Shopping on the Mall.

August 23, 2011 – I attended the Easter Seals Annual meeting and Luncheon in OKC where the Oklahoma Council of ESA was presented with a Certificate of Appreciation.

August 27, 2011 – District II held their Leadership in Guthrie. District Coordinator Sylvia Ochs held a really good Leadership. Her special speaker was Donna Rynda. She spoke on "How to Listen". Donna and I had a one-on-one talk about learning how to listen.

September 6, 2011 – Attended Delta Kappa business meeting. We are excited for the coming year and the many challenges!

Looking forward to the other District Leaderships scattered across the state. Every week-end in September will be busy for me attending the different District Leaderships.

Remember the tour of the Oklahoma City Easter Seals office on Thursday, October 6 at 10:45 am. There will be a Dutch treat lunch following the tour.

The OSD tour/District IV meeting is October 8th in Sulphur.

The Give Thanks Walk in Oklahoma and Tulsa will be November 19, 2011 at the same Mall it was at last year. Everyone is encouraged to register and help with this event.

And of course, don't forget the November State Council meeting November 12. Information of the meeting will be coming soon.

Have a Happy Thanksgiving and don't be like the turkey and stuff yourself. Enjoy your time with family and give thanks to God for all of your blessings.

ESA love to all,
Gwynn Nell

Health Tip:

It turns out you don't have to completely overhaul your life in order to fit into your jeans better. Researchers recently pinpointed two simple strategies that could do the job. **Part 1:** Just walk an extra 500 steps every day. **Part 2:** Trim a mere 100 calories from one meal each day (that's roughly equivalent to eating one less tablespoon of butter, drinking three fewer sips of soda, or leaving three or four bites at a meal). In a study, overweight people who were coached to do exactly that ended up doing big favors for their waistlines. Not just because they removed a few extra calories from their day, but because embarking on this simple plan inspired them to make even bigger changes. They turned into overachievers, cutting 300 calories a day from their diets and walking an extra 1,450 steps per day. That translates into shedding about a pound every 10 days or so. And it was their commitment to baby steps that really got the ball rolling.

EDUCATIONAL: Healthy Snacking **Tina Davenport-McKamie**

My Plate

The Department of Health recently introduced a new guide that takes the guesswork out of putting together a healthy meal. MyPlate, which replaces The Food Pyramid, helps consumers make healthier food choices with emphasis on fruit, vegetables, grains, protein and dairy. The MyPlate guide encourages a more plant-based eating plan. It is also designed to help improve Americans' understanding of the portion of each food group that creates a healthy diet.

The MyPlate icon displays a plate when divided into quadrants, encourages larger amounts of vegetables and fruits and slighter small amounts of protein and grains. In addition, a serving of dairy is located at the top corner of the icon with consumption encouraged at each meal.

A glance at the new guide shows that half your plate should consist of fruits and vegetables. Eating more fruits and vegetables will help reduce calories and increase vitamins and minerals. The rest of your plate should be a combination of mostly whole grains and a smaller amount of lean protein with a side of dairy. The divided plate also discourages super-sized portions, which can lead to weight gain.

Including a colorful variety of fruits and vegetables in meals and snacks helps maintain a healthy weight and may reduce the risk of many diseases, including heart disease. Fruits and vegetables are a valuable source of the following nutrients important for overall health:

- Calcium - Essential for healthy bones and teeth; needed for normal muscle, nerve and gland functions.
- Fiber - Diets rich in fiber have been shown to decrease risk of heart disease.
- Iron - Needed for healthy blood and normal cell functions.
- Magnesium - Required for healthy bones; low levels may cause muscle cramps and high blood pressure.
- Potassium - Helps maintain healthy blood pressure.
- Vitamin A - Keeps eyes and skin healthy and protects against infections.
- Vitamin C - Helps heal cuts and wounds and keeps teeth and gums healthy

Tips for choosing a great plate include:

→ Balance calories - as an individual, find out the number of calories needed for a day as a first step in weight management by going to www.ChooseMyPlate.gov.

→ Enjoy the taste of food, but eat less - pay attention to hunger and fullness cues before, during and after meals to recognize when to eat and when to stop. Eat slower and eliminate television viewing while enjoying food which leads to mindless eating.

→ Avoid oversized portions - use a smaller plate, bowl and glass. Portion out foods before sitting down to eat. When eating out, choose the smaller size option, or take home part of the meal.

→ Make half the plate fruits and vegetables - choose red, orange, dark green vegetables like tomatoes, sweet potatoes, and broccoli along with other vegetables at meal time. Add fruit as part of the meal as a side dish or dessert.

→ Switch to fat-free or low-fat(1%) milk - these lower fat versions have the same amount of calcium and other essential nutrients as whole milk, but with fewer calories and less saturated fat.

→ Make half the grains whole - to eat more whole grains; choose whole wheat bread instead of white bread and choose brown rice instead of white rice.

→ Foods to eat less often - cut back on foods high in solid fats, added sugars, and salt.

→ Compare sodium in foods - use the Nutrition Facts label to choose lower sodium version. When selecting canned items choose “low sodium”, “reduced sodium” or “no salt added”.

→ Drink water instead of sugar drinks - cut calories by drinking water or unsweetened beverages. Soda, energy drinks, and sports drink are a major source of added sugar and calories

What we have learned over the year is that consumers are bombarded by so many nutrition messages that it makes it difficult to focus on changes that are necessary to improve the American diet.

MyPlate’s advice: “Enjoy your food, but eat less.”

Treasurer’s Report Linda Southerland

HAPPY FALL!!!

It seems that the weather is finally going to cool off, and I do hope winter will not equal summer and be record breaking. We certainly do not need as much snow and ice like we had last year. We can wish for a mild, wet winter.

I also hope everyone is staying well or on the way to being healthy anyway.

This is just a friendly reminder that it is nearing the time to pay dues. Remember, the State dues were increased in June. **Project Director
Margaret Kramer**

Greetings from State Project Director!

Well my summer has been very busy, I traveled from OK. to Ga. to NY. to Ga. to Tulsa to Belize to Tulsa to Norman to Ga. to OK. to Ga. back to OK. Good thing I retired!

I would like to thank everyone for their kind words and expression of sympathy in the recent death of my brother. During the ruff times it sure warms the heart to know that I have so many sisters who care.

I still do not have all of the information sheets available from the Schools; classes did not start until 8/29. Jane and Sue are working on getting them to me ASAP, I will forward them to the individuals and chapters when available. It is my **GOAL** to have each chapter sponsor at least on student this year. It sure would be a terrific accomplishment to have all the students sponsored. The OSB has many students who just need remembrances on special occasions and not a monthly allowance. I would appreciate if each and everyone would open their hearts and sponsor a child this year. If we sacrifice a cup of Starbuck's or a cocktail at dinner monthly we can bring a smile to the face of a child when they receive a card or note of encouragement from us.

I am looking forward to the October 8 **tour** at the School for the Deaf in Sulphur, I hope to see as many of you ladies as possible. It is homecoming weekend and many of the students will be there to meet their sponsors. Lunch is \$8.00.

I have been able to open a Project checking account and finally deposited the checks that have been donated to the Project Fund. Remember to pencil in the State Project Fund when preparing your chapter 2011-2012 budget. I want to express my sincere appreciation for all you have done for the children and look forward to a banner year in donations and sponsorship. If you have any questions please feel free to call me.

Keep the School Administrators, faculty and students in your prayers as they embark on a new and challenging school year.

My best wishes for the health and energy necessary to accomplish your chapter goals! God Bless. Margaret

District II
Sylvia Ochs

District Two Leadership meeting was held Saturday, August 26, 2011 at Noble Avenue Baptist Church Fellowship Hall in Guthrie, Oklahoma.

The Speaker was Donna Rynda, well known speaker for corporate organizations, church groups and other small companies. She advised all how "To Do Nothing" and fun was had by all.

Salad luncheon was furnished by Kappa Theta #3454 and music entertainment by Cheryl Tarter. Mrs. Tarter had written a song entitled "Sail Away With ESA" which was the Director's theme. It was written to the tune "Around the World in 80 Days". All participated.

There were approx. 30 people in attendance. Our annual meeting will be held March 24, 2012 at Inter Bank in Kingfisher with installation of officers.

District IV
Ellen Clark

DISTRICT IV HAS BUSY YEAR

Dist. IV members have held two meetings this year and the final meeting will also be the installation of new officers at the Sunnyside Methodist Church in Del City with Kay Brader being installed as Coordinator.

The first meeting was held in Midwest City at the Spencer Event Center with Coordinator Ellen Clark conducting a leadership seminar. Guest speaker for the event was Cpl. Kelli Bruemmer of the Oklahoma County Sheriff's Dept. She reminded everyone that it was getting easier and easier for someone to steal your identity, so always be alert. Don't leave your purse unattended in a store and definitely not in your car when you go into a store, even for a short time. Approximately 40 members and guests were in attendance. Doris Kemp, Ways and Means Chairman held a bake sale and made \$138.00 for the budget.

The second meeting was held in Sulphur at the School for the Deaf. A silent auction was held on baskets of goodies from each chapter and over \$208.00 was the profit. District IV has a special project this year for the Greiner School in Lawton. Their goal is to be able to present a \$300.00 check to the school. Sue Cole, Social Worker for the School for the Deaf entertained the group by signing to the music and words of "Open Hands" by Matt Papa, which was very impressive.

A nominating committee was elected at this meeting. New officers will be announced at the meeting on March 10th, in Del City.

Please consider having a special *Hope for Heroes* event during the week of November 6-12, 2011 - to show your support for our military personnel, their families and veterans.

This is a special week but it is not the only time during the year Oklahoma ESA members can honor these extraordinary people who are sacrificing so much for us. I know there are many Oklahoma ESA chapters/members doing good things for/with our military personnel, their families and veterans. Please report these projects to me so I can record your wonderful support. There is a special *Hope for Heroes* form on the Oklahoma's web site. I would really like to hear from each chapter this year - and send me a picture! Oklahoma sisters are the greatest and I want to share all your good works with everyone!

A special prayer - Heavenly Father we are asking that you watch over all our men and women fighting for our freedom. We ask that You bless them and their families. We thank You and give You the praise and glory. Amen

St. Jude Coordinator – Judi York

ESA's "Circle of Life" is no more. It is now ESA for St Jude. We are happy for this change because it says what we really are.

This past year ESA raised \$9,142,732 for St. Jude. We are so proud of this total. We are even prouder that Oklahoma was in the top 10 states and we raised \$587,299. Thank you to each and every one of you for all you do for St. Jude.

We have been partners with St. Jude for 40 years. What a milestone! There is a 40 year pin available that you can order through ESA merchandise. It is a great way of showing your support for St. Jude. The cost is \$40. There is also a Team ESA t-shirt, jacket and visor available. It has both the ESA and St. Jude logo on the shirt.

On November 19 the Give thanks.Walk will take place at Penn Square Mall in Oklahoma City (Aletha Bolt, Chair) and at Woodland Hills Mall in Tulsa (Dawn Haley, Chair.) Please support these walks by volunteering your time or sponsoring a member who is walking.

On December 3 in Memphis is the St. Jude Memphis Marathon. Rosalie Griffith, Deb Hughes and me will be in Memphis representing Oklahoma ESA. If you have a couple of extra dollars lying around we could use your support.

If you have an event planned for St. Jude, please let me know. Post it on the website so that we can all participate.

After the first of the year we will start the St. Jude Dream Homes and Radiothons. We have a lot happening for St. Jude in Oklahoma. Please join in and be a part of saving the lives of children.

Please remember to pay your Chapter dues. **MUST BE PAID BY JANUARY 1, 2012.** I cannot issue ballots at convention unless the dues are paid by January 1, 2012. Thanks.

Easter Seals Jo Ann Rott

Why Easter Seals and Autism?

More than a century ago, Easter Seals was front and center during the polio epidemic, working tirelessly to help children and adults with polio gain the skills they needed to live independently through medical rehabilitation and various therapies. Now, Easter Seals is the country's leading provider of services for people with autism today.

Easter Seals has been providing services and support to children and adults with disabilities, and to their families who love them, for more than 85 years. Over the last 20 years, Easter Seals has seen a dramatic increase in the number of people with autism the organization serves both through its services developed specifically for people with autism and through services that include children and adults with autism among other service recipients.

The Centers for Disease Control and Prevention's (CDC) new findings on the prevalence of autism validates the belief that autism is an epidemic of our time. The fact is, many families are living with autism today and there is a need for increased funding, services and supports for individuals with autism.

Autism is treatable! There is yet no known cause or cure, nor one single effective treatment, autism is treatable. People with autism, at any age, are capable of making significant progress through personalized interventions and therapy, and can and do lead meaningful lives. This is where Easter Seals come in. Getting the right support at the earliest state in life can help a child gain the skills he or she needs to be successful.

While there are several organizations researching to find the cause and cure for autism, Easter Seals is the nation's leading provider of services and support for children and adults living with autism and their families. Easter Seals works internationally to provide children and adults with autism individualized treatment plans and comprehensive services.

Easter Seals also advocates in Washington DC, encouraging Congress to finance research to improve services and supports and pursuing public policy solutions for the challenges families with autism face.

Did You Know?

The diagnosis of autism has been estimated to occur in as many as 1 in 110 individuals, is four times more prevalent in males than females, and has been growing at an estimated rate of 100-200 percent every five years. Every 20 minutes, another child is diagnosed with autism. Join Easter Seals, the leading provider of autism services. **WE CANMAKE LIFE BETTER** for the millions of individuals touched by autism.

Go to easterseals.com. Click on the **Act For Autism** link and sign a petition for increased funding for autism.

Good Fall everyone,

Hope this finds you with cooler temperatures. Wanted to let you know that I received an e-mail from our IC Philanthropic Chair, informing me that, “the mileage rate we will be using for 2011-2012 is \$.555. This should be used for all chapters' calculations.”

Also at a recent district meeting, I was asked if extra points would be given for submitting monthly Philanthropic reports. Though I would love to see them monthly, there are no extra points given for this. The deadline remains April 1st or reports postmarked by April 1st.

Chapter Chatter

Beta Iota #4283 McAlester

BETA IOTA is already going great guns. We had an organizational meeting in August at Betty B's house to make plans for the new year....but mostly we just visited. But last night was our first meeting and we started off with Tawanna Cathey giving us an inside report on how to "Get Fit with Social Security" complete with informational handouts. We had 15 members present including Elaine Ockletree who has not been well for a long time; a new transfer member whom you all know and love....Margaret Kramer! Amber, our new president, has already proven herself to be a good leader and that she will be "Taking Care of Business" this year!

June Miller

Beta Psi #0498 Clinton

Rock and Roll in ESA, we surely did at the spring state convention. What a joy to have fourteen of our gals there with three of them being first-timers! We were elated with the many awards and recognitions Beta Psi received, especially our DIANA Award state winner, Betty Finnell, for her leadership in the "Wounded Warrior Hunt" for the soldiers of the Iraq and Afghanistan wars. Pride, filled our hearts as six from our chapter accepted positions on the 2011-2012 state board.

Outstanding, best describes our Founders Day Banquet in May as we celebrated the successful past year and to honor some of our own. Roberta Wermey was recognized as Beta Psi's Pledge of the Year and Doris Cook was crowned as Woman of the Year. Nellrita Barrick received her 20-year pin with Joy Agan and Katrena Rightnowar getting their pins for 30 years of service.

The annual Zeus Award was presented to Bill Waldrop as Nellrita told his story of volunteer work with the local AARP, Boy Scouts of America and the Ombudsmen organization.

Then, the summer was adventurous and fun for several of us. Hosting the St. Jude Dream Home in Edmond and working the Telethon, our volunteers grew from two on the first one to ten this year. Our summer

socials, the "Hen Party" and the "Mystery Dinner" were scrumptious and entertaining. An increase in member involvement continued through June State Council and the August Leadership.

As this comes to print, our "Fall Rush" will have occurred and the October Enrollment will have met our anticipation as Beta Psi shares ESA!

November will find us participating in our second "Hope for Heroes" event this year. And, ticket sales will begin for the December Cajun Bean Dinner and Silent Auction, our one fundraiser for the year.

Enjoy the cooler air and beauty of the autumn days!

Nellrita Barrick

**Beta Zeta #3158
Oklahoma City**

Wow...has this been one hot summer or what!. Althea Bolt and Billie Fritch joined the rest of the Oklahoma delegation and attended the IC convention in Overland Park, Kansas in July. Billie and Maxine Wheelan, Delta Chi, MWC, drove and roomed together . Aletha was already there and we ran into her soon as we got to the hotel which was good as we didn't have a room yet so she showed us where everything was and we stayed in her room awhile , then went to listen to a young man who has overcome Tourette Syndrome and he made us all realize that everyone has a story and to be more tolerant with each other. The convention went by so fast that before we knew it, it was time to pack our bags and come home. A great convention; the Kansas girls did a wonderful job, made everybody feel welcome and Oklahoma will do the same I'm sure when we host IC convention in 2012 in Norman. Aletha and Billie also attended the Leadership meeting in Norman ; Beta Zeta made English Toffee candy and sold it on ESA on the mall. We sold it all and hope everyone who bought some enjoyed. We would probably take orders and make it again if there was an interest. Let us know. Billie and Aletha made the Dist. 2 Leadership in Guthrie where we had a delicious lunch and listened to a great speaker and just had a good all around time. We're looking forward to the Give Thanks Walk for St. Jude in Oklahoma City in November. Several of the chapter participated last year and will again I bet. Hope everyone survived the hot,hot,hot,hot summer.

LEARNING SERVING GROWING

Summer has now passed on and Delta Kappa has hit the cement running. We are really excited about our year. Our new officers are in place, we have a great slate of educationals and socials planned as well as variety of new service projects to kick off. We welcomed back Helen Checorski, who has been on our injured reserve list (watch out ladies for those Zumba classes). We have several members still out recovering from surgery that will be rejoining us soon as well as several new prospective members. Our first social is a wine tasting party at Native Spirits on the lake yum yum!! Delta Kappa ready to learn, serve, and grow in 2012.

**Epsilon Kappa #1945
Hominy**

Epsilon Kappa has had a very busy summer. Our auction is October 1, 2011, at the Horace Mann School Gymnasium, and we've been working hard to make it the biggest and the best ever. We'll have lots of goodies for everyone, tools for the men and pretty things for the ladies. All proceeds from our auction goes towards our philanthropic projects.

We had a "girls night out" at the Mexican restaurant in Cleveland, where we learned how to make camouflage blankets for our troops over seas. We also had a guest night at the same time and everyone enjoyed a delicious pizza dinner. We're helping pay for postage for the blankets. The Cleveland Retirement Manor have been helping with our Hugs for Hopes project, and the residents proudly filled Billye Peterson's car with neck pillows, teddy bears, etc. We had some good publicity in our local paper with our projects, too.

Epsilon Kappa is looking forward to seeing all of our District III members in Hominy on September 24. It will be nice to have everyone come to Hominy for a change. It's been a long time since we've been hostesses for our district.

By the time you receive this issue of the P.J. we should be able to sit back and take a deep breath before we get busy pledging some new members. Our state membership chairman is our chapter president, too, and we know that Mary Johnson is going to keep us busy!

Making a Difference
School for the Deaf, Sulphur, Oklahoma

Several members of Epsilon Sigma Alpha's Gamma Zeta chapter in Edmond visited the Oklahoma School for the Deaf in Sulphur, Ok on October 8 to help make a difference. Helping insure the deaf and hard-of-hearing students in Oklahoma have the same opportunity as all children to be successful in a barrier-free environment is a goal of Gamma Zeta as well as the School for the Deaf (OSD).

OSD is a residence for the deaf and hard-of-hearing students ages 2 – 18. The school teaches K-12 students in Sulphur, Oklahoma. In 1898 the school provided for the education of blind Indian children of the Five Civilized Tribes. In 1907 OSD was established. The school has grown from the original 3 buildings to the campus that includes a gym, auditorium, student-center complex, superintendent's residence, Long Hall, Blattner Hall, Vocational Building, Griffins Hall, and the physical plant facilities.

Independent education plans are designed to meet the needs of every student. The outreach program provides evaluation for children from ages 2 – 21, in-service training programs, consultation for adaptations and modifications to child's educational environment. OSD provided 2,506 direct services to deaf or hearing-impaired students and 14,847 contacts of families, schools, and hearing-impaired organizations.

You too can help Gamma Zeta make a difference by volunteering or a monetary donation. Contact Gamma Zeta's President Pat Strickland at 715-3366 or 250-4266.

Each second Wednesday of every month is a general fundraiser at Johnnies in Edmond where Johnnies will donate a percentage of each diner's receipt to Gamma Zeta. Philanthropic organizations include our national project for St. Jude's Hospital, and all the rest goes to Oklahoma and Edmond projects such as Ok School for the Deaf, Coffee Creek Riding Stables, Free to Live, Mobile Meals, UR Special, Boy's Ranch, and the Hugs Project.

On October 18, Gamma Zeta and Freddie's Restaurant on East 2nd are having a fundraiser for Hugs for Heroes. Hugs for Heroes, Inc. goal is to help as many troops as possible feel appreciation from home in the form of notes and small items that can make the hardships they endure just a little easier to bear. No one can compensate the troops for their service to our country. We can affirm that the community appreciates their service and sacrifices. Every penny of each donation is used only to purchase and ship items to our troops. All donations are tax deductible.

Several members of Epsilon Sigma Alpha's Gamma Zeta Chapter toured the Easter Seal facility in OKC October 6. The Gamma Zeta Chapter of Epsilon Sigma Alpha helps raise monies for this worthy organization. Since 1925 Easter Seals has provided exceptional services, educational outreach, and advocacy so that people living with disabilities can live, learn, work and play in our community. Last year Easter Seal's speech service helped 251 children across the state, assisted 6 children with outpatient surgery and needed equipment, and 1620 individuals received resource information; this organization also served 122 people with their inclusive child development center, and 74 adults participated in their day-service program. Last year Easter Seals helped a total of 3183 individuals. If you would like to help raise money or volunteer for Easter Seals contact Gamma Zeta's President Pat Strickland at 715-3366 or 250-4266.

**Kappa Theta #5414

Kappa Theta members have had a busy year and are gearing up for a busy fall.

During the month of July, members met at The Stables Café for our monthly business meeting. After the business meeting adjourned, we took a fun field trip to Curves exercise studio. Members attending were President Libby Zaage, Jacque Edwards, Educational Director Sylvia Ochs and Connie Johnson. We were very impressed with the workout that the machines give you. None of us were familiar with how the exercise studio worked and we really enjoyed ourselves.

For the month of August, we again met at The Stables Café for our business meeting. The following members also attended President Gwynn Nell Swanson's August Leadership in Norman: President Libby Zaage, Sylvia Ochs, Sooner Seniorette Jacque Edwards and OK State Council Parliamentarian Connie Johnson. We are proud of the great job that Gwynn Nell did on hosting her August Leadership.

Kappa Theta ladies were host to the District II August Leadership Meeting in Guthrie on August 27th. District II Coordinator Sylvia Ochs did an excellent job and we are very proud of her. Donna Rynda spoke to those attending about the importance of being a good listener and attendees were treated to a salad luncheon hosted by the ladies of Kappa Theta. Sylvia's daughter Cheryl Tarter played piano for us and we learned a new song that Cheryl had written especially for her mother's theme "Sail Away with ESA". We had a great attendance and appreciate those of you that took time to attend our meeting.

On August 31st, Kappa Theta ladies met at the skin care salon of Liza Machtolff to learn about the importance of good skin care and the dangers of sun exposure and skin cancer. We are in such a rush some times that we don't think about taking proper care of our skin and it was very interesting to learn ways to do so.

We are planning to hold a White Elephant Auction and cookout in September to raise funds for our chapter. We had planned to hold it in August but decided that we would hold off for cooler temperatures which hopefully will arrive soon.

It was good to see all of our ESA sisters at various meetings. May God Bless each and everyone of you and your families.

Well it looks like we have all survived the hottest summer Oklahoma has had in a long time, but it certainly has slowed us down.

Our social in July was the TAC Bunco Bash with proceeds going to Community Food Bank and the Clare House. We had a good turn out and had a lot of fun throwing the dice. We had a lot of great prizes for the lucky winners and also great food for all.

Our August social was a couples party for Jenny Lizama celebrating her “40” birthday. She is one of our youngsters. It was at Marge Goodno’s backyard and pool. Marge supplied the great grilled meat and we all brought side dishes to compliment it. We also had a beautiful birthday cake. No one jumped out of it but we did have a drop in visitor who came to serenade Jenny and tell a few stories or jokes.

We are looking to the summer heat leaving and all the things planned to the fall.

Whew...what a hot summer it has been! I believe we are all ready for some cooler weather. I know the Zeta Gamma sisters are ready to get things going for the new year. Our first meeting was held at the home of Lora Thompson with six members present. After President Gwen Beasley conducted the meeting, Lora presented an educational on “Hunting the Red Fox”. Her educational theme this year is S.E.A. – Sports, Exercise & Athletes. I know she has a few surprises in store for us. Six of our sisters attended the August Leadership in Norman where we sold cupcakes in a jar and pie in a jar at ESA on the Mall...yum!! Everyone had a great time. Robbin spent a fun day at Dist II Coordinators Sylvia Ochs leadership. Her guest speaker was dynamic and of course it’s always a joy to spend time with your ESA sisters, too. Please continue to keep Lola Jaegers family in your prayers as they struggle with their daughter, Jennifer, illness. Also, Gwen Beasley. She recently was admitted to the hospital and had surgery but is doing much better. If anyone is in need of a pearl pin, our chapter has several to sell for \$12.00. See you in November at the State Council Meeting.

Meeting adjourned at 11:30 so members could shop at the ESA mall until lunch was served.

State Project Director Margaret Kramer said both schools had delayed their starting date because of the intense heat so student enrollment has been delayed. OSD will have approximately 150 students and OSB anticipates a larger enrollment than last year. Both schools are on a tight budget and the number of needy students is increasing. Each chapter is encouraged to sponsor at least one student this year and many individuals are needed for student sponsorships. If you've sent in a check to the State Project Fund, Margaret did not have access to the bank account, but a new account will be opened soon and checks will be deposited.
