Registered for Convention?

I can hardly believe that January is nearly over and my year is really passing fast! I'm gearing up for my final State Council meeting on March 11 and the upcoming spring district meetings. I hope you will plan to attend these meetings – there's a lot of information shared at them with ideas you can take home & use. And let's not forget about the wonderful fellowship – it's always great to see our fellow sisters!! It might even inspire you to step up to the challenge & accept a position beyond your chapter. ESA needs all of us working together to keep us a viable organization. I truly believe you'll enjoy the meetings, gain a new understanding of ESA, and possibly grow personally.

DEADLINES!! **March 1** is the deadline for the DAA and Outstanding Youth entries, and **April 1** for all other contests. It makes convention much more fun when your chapter has participated in contests. Chapter Presidents, don't forget to enter your chapter educational chair for the Distinguished Athenian Award. She deserves this recognition! Go to www.oklaesa.org for detailed information.

March 28 is the deadline for hotel reservations for our Oklahoma State Convention on April 28 -30. If we don't make the deadline, we will lose our room block. So, please get your reservations in as soon as possible and you might as well get in your convention registrations too. Lori has included a copy of the convention registration form and hotel information. Or you can use the link below for the hotel reservations.

Also wanted to remind everyone to be selling their Branson raffle tickets and get everything turned in to Jenny Lizama, our Treasurer. We give the trip away on April 30.

I know ESA members always give from the heart and are never looking for public rewards, but I'd like to say thank you to those members who have gone above and beyond for their fellow members by honoring them with a special award at convention. Please write a brief story about what they've done and send to me by email to Rnbaucom@aol.com or you can mail me at 138 SE Surrey Ln., Lawton, OK 73501.

Have a Happy Valentine's Day! Load up your car for the February 18 State Project Tour at Oklahoma School for the Blind and the March 11 State Council meeting in Norman. Join me for a great beginning to A Sweet Filled Spring!

Nominating Committee Chair

Second Vice President-Educational Director, Margaret Kramer

I cannot fathom that it is 2017 and the year of “ESA Sweet Indulgence” is almost over. Where has the time gone? It is my hope that 2016 treated you with much HAPPINESS and you will continue to “Indulge” as the New Year is a time to reflect and rejoice. It brings hope, aspirations, resolutions and introspection, ushering in new beginnings.

I found these 10 mantras that are if practiced will help you attain a happier and healthier 2017.

Exercise brain and body

This should be the mantra this year -- 30 minutes of exercise five days a week and mind games can do wonders for your physical and mental well-being.

Eat healthy, live healthy and love you

Remember size is just a number and we are never there however hard we try. We all have a particular body type and should love ourselves the way we are. Eating healthy is good, but obsessing about it can be detrimental to our emotional well-being.

Detox

Everyone needs some time off unhealthy food and social media. Unless suffering from a medical condition, we all should consider giving our digestive system a break at least twice a month. Go for light and healthy food like khichdi, soup, fresh juices. Excessive use of social media can have adverse effects on the sleep cycle and hamper concentration. Don't let that happen to you. Put aside all gadgets for a while every day.

Avoid fad diets

Any kind of extreme diet plan can have long lasting ill effects on our system. We may feel happy with the short-term results. But in the long run it may lead to severe nutrient deficiencies, emotional issues and binge eating.

Declutter

Declutter your wardrobe, your house and your life. Remove all the excess baggage, be it emotional or material. This will make you feel lighter and happier. Don't be an impulsive buyer. This will not only help you avoid clutter but also multiply your savings.

Invest in yourself

Make yourself happy because you owe this happiness to yourself. Pursue your hobbies, your passions. Do whatever makes you happy, be it singing, dancing, gardening, traveling, reading or simply playing a sport. Remember, you have just one life to live.

Spend time with friends and family

Friends and family can be our biggest stress busters and the best therapists. They are the anchors that hold us together in difficult times and have a multiplier effect on our happiness.

Show gratitude and share happiness

Count your blessings. Be thankful for whatever you have and be generous enough to share it with lesser mortals. Kindness can be in any form and for anyone. Care for people, animals and your surroundings.

Be a learner

Don't limit your knowledge. Knowledge brings power. It gives you the edge to excel and the freedom to explore. You are never too old to acquire new skills, learn a new language or read a good book. Knowledge can be your most powerful armor. So go for it.

Love life

Love your life, your job, your house, your family. Being complacent can be bad, but being content with your life is what keeps you happy. Appreciate the finer things and enjoy your life. If you are unhappy then either have the strength to bring about change or be happy with what you have. Negativity attracts negative energy and being happy begets happiness.

Try following these mantras and allow 2017 to be a landmark year for you in terms of growth, self-actualization and HAPPINESS!

The "Be Happy" You Tube video is worth while watching. It will be your moment to "Indulge in Happiness"

Just a reminder that in order to be eligible for Gold Seal Award the Chapter Education Director will need to submit a report with at least 6 educational reports (educational report forms are available on the oklaesa.org web site) no later than April 1, 2017. Chapter Presidents remember to nominate your chapter educational director for the Distinguished Athenian Service Award. If you have any question please feel free to call or e-mail me at 918-617-3130 or mghnurseok@aol.com. If any chapters would like for me to present an educational please let me know, it would be my pleasure and privilege.

Howdy sisters!!!

I hope everyone had a wonderful holiday season. Precious time with family and remembering the Reason for the season.

Well, it's a new year and time to be thinking about Convention again. Just think of all of those awards we can get, in a little over two months! Wow!!! Time flies!!

The catch is, we need to be keeping track of those points. Why not begin now making your tallies, that way it won't be so much work at the end of March getting all those points together to send to me by April 1st.

I would like to send a "THANK YOU SHOUT OUT," to Helen Checorski, for sending in her first installment of Philanthropic points.

This Oklahoma weather has been CRAZY!!

Many blessings sisters and hope to see you at the District and State Meeting in March!!

GREETINGS FROM THE ESA FOUNDATION CHAIR

Happy New Year!

Hi Everyone-

I hope all of you had Happy Holidays. By the time you read this the scholarship deadline would have passed. (February 1). Thanks to all of you who helped me get the word out about the scholarships.

Please note, we have a new contest this year, strictly state. As I explained at Leadership there were contributions to the Foundation you were not getting credit for. Example: if you paid for an item you bid on at the auction; if you donated money to buy items for your basket; or you donated money to another chapter for a foundation project you can count that under donations. If you donated items for the basket or donated anything other than actual cash this is considered monetary value donations. All of this must be reported on your Service Report and a copy of the report sent to me. Hours and travel are not counted for this contest. Please contact me if you have questions.

[\(405\) 229-4731](tel:4052294731) or tigervip60@aol.com.

DISTINGUISHED ACHIEVEMENT AWARD

The Distinguished Achievement award program's deadline is fast approaching, March 1, 2017.

The Distinguished Achievement Award recipient can be a man, a woman or both. They can have the honor of being recognized at your chapter level and one of the local winners will be honored at the Oklahoma State Convention in April. At the state level they will receive a check for \$200 payable to the charity of their choice.

All the guidelines and entry forms are posted on the Oklahoma Web site or you can contact me, Lora Thompson, and I will send you the forms. So keep that March 1, 2017 deadline in mind. Your chapter can also receive extra points toward Outstanding Chapter. Remember it is a great honor for your chapter and your recipient to be recognized.

I want to encourage each of our Oklahoma chapters to send in any donation they deem appropriate before our 2016-2017 year draws to a close! To date, only 7 chapters have submitted donations to Easter Seals. These chapters include: Delta Lambda #3920, Gamma Zeta #3464, Zeta Gamma #4253, Alpha Rho #4350, Zeta Epsilon #4614, Delta Kappa #3538, and Epsilon Kappa #1945. If your chapter has sent a donation and was not mentioned above please contact me via email at debrajohnson316@msn.com.

We would love to see an increase in participation by chapters that have not donated recently. Remember, you have to send something to be in the Easter Seals contest, but you decide the amount.

Easter Seals has voiced needs that equate to as little as \$7 to meet someone's transportation needs or \$25 when put toward their Endowment Fund supports Easter Seals for years to come! Join us in helping meet the needs of fellow Oklahomans.

Thank you,

ESA for St. Jude

2016 was an outstanding year for ESA's support of St. Jude. Chapters sponsored fundraisers throughout the year, and members worked diligently to benefit St. Jude Children's Hospital

Billye Peterson reported that the OK City Dream Home was given away this fall, and they raised \$660,500. It was won by Ronnie Jones, a world class motor cross champion. Ronnie was very humble and said that if he sold the house, a portion of the proceeds would go to benefit St. Jude. Billye also reported the OK City Walk/Run to End Childhood Cancer was a success as they had over 660 participants and raised over \$67,000.

Linda Leverage reported that Delta Kappa sponsored a craft fair to benefit St. Jude in November. Rosalie Griffith informed us that Sigma Chi, Inola sponsored their annual Crazy Sock Run in September to benefit St. Jude. We also wanted to thank all the chapters and individuals who have made donations in memory or in honor of loved ones.

This year ESA's fundraising total for St. Jude was the highest one year total yet. Together ESA members have raised over \$18 million dollars this year. Great work and congratulations ESA.

As Chris Boysen, Senior VP, Field Operations at ALSAC/St. Jude said, "It's a blessing to be involved with an organization and its members who are so committed to our cause and who individually have such huge, giving hearts." That is a great description of our ESA members, and Barbara and I are blessed to be a part of this organization and look forward to another great ESA year with St. Jude.

Thank You So Much.

February has been a busy month for St. Jude Radiothons in Tulsa and Oklahoma City. Twister 101.9 hosted a very successful event in OK City February 2nd and 3rd raising over \$100,000. Tulsa's K95.5 Country Cares event was held February 9th and 10th and was staffed by ESA members from Beta Gamma, Kappa Alpha, Sigma Chi, Eta Mu, and Gamma Pi.

We are looking forward to our 2017 St. Jude Dream Home. It will once again be held in Stone Canyon in Owasso, and tickets will go on sale March 31. The Sneak Peek will be May 11th, and our Grand Opening will be May 13th. We hope that you will plan to come and visit on Saturdays or Sundays, May 13-June 24th. And our Dream Home Giveaway will be June 25th.

This will be another exciting year for ESA and St. Jude. The individuals Barbara and I admire the most are our ESA Sisters. We have watched OK ESA members work tirelessly at every Alsac and Non-Alsac event for the past 2 years to raise funds to support St. Jude. There have been chapter donations, garage sales, crazy sock runs, car shows and numerous other activities---all for St. Jude. What an absolutely awesome group of individuals, and it has been our privilege to work with them as OK St. Jude representatives. Thank you all so much for this opportunity. Our hearts will always belong to ESA and St. Jude.

Thank You So Much.

Lead the way through
ESA

Greetings from District III! Time has flown by. We got a lot accomplished this past year: Clarifying roles and updating District III bylaws, choosing Clare house as our district project for another two years, and last but not least securing a slate of officer candidates for 2017. Woo Hoo!

A huge thank you to each of you who served with me this past year as well as those who had to step up and fill unexpected vacancies. I couldn't have done it without you.

February 18th will be a great time at the Oklahoma School for the Blind as we hold installation and once again get updated on the impact that ESA makes to the students at OSB. Can't wait to see what State Project Director, Linda Leveridge has planned!

Alpha Rho 4350 – Broken Arrow

Alpha Rho had an awesome year! We held a Garage Sale in September to raise money for Broken Arrow Neighbors. Later in October we held our 44th Annual Arts and Crafts Bazaar, selling out all available vendor booth space.

In December we held our chapter Christmas Dinner at the home of Dianne Nail, chapter President. Everyone had a great time revealing secret sisters and opening presents. We ended the evening with our group picture.

Hope to see everyone in February at the District III & V meeting and OSB Tour.

Beta Iota, #4283 McAlester

The ladies of Beta Iota were thrilled to be able to help provide much-needed assistance to our local Youth Emergency Shelter, Good Samaritan Men's Shelter, Hope House, Domestic Violence Shelter, and The Oaks Rehabilitation Center. Thank you to everyone who participated in our Beta Iota Bingo fundraising event. We were able to donate over \$4,000 to our local organizations.

Beta Iota Bits

Each year Beta Iota has a Valentine's Day fundraiser. Our group dipped 125 dozen strawberries this year. The funds raised benefit our philanthropic projects. The ladies worked well into the night to make sure that every order was ready.

We also celebrated Valentine's Day by presenting our 2017 Distinguished Achievement Award to Janet Derichsweiler. Janet is the Founder and President of E-Angels, a local non-profit that helps area students in need.

Coming up next Beta Iota will present our 3rd Annual Hot Rod Car Show. Stay tuned! We are always up to something.

Delta Kappa, Norman
February, March PJ Article

Delta Kappa finished out 2016 by working at our ways & means project, scanning tickets at the OU basketball games, and that's how we started 2017 by working at more OU basketball games. As of this writing we have 12 games left to work for this season, but who's counting. We will for sure be celebrating on March 4, 2017 which is our last game. Per our W & M chair, Georgia Smith, we will exceed the amount of income budgeted for this project. A lot of time is spent by several members to meet this goal and it may be a lot of time and work but we manage to have fun also.

Our annual Closet Sale is scheduled for February 3 & 4, 2017 at Goodrich Church. We will have a selection of different styles and sizes to entice our shoppers to buy our gently used clothing, shoes, jewelry and other items to accessorize any outfit. The proceeds from this sale will be donated to St Jude's. We have done this sale for so long and have become well known in our community to host the Closet Sale every Feb. We have gathered quite a following because they make the comment that we have "good stuff at very good prices". We always look forward to seeing our regular customers.

Our next educational will be January 23, 2017 at Goodrich Church. Linda Leveridge has a surprise educational for us. Linda is full of surprises and super ideas. So without a doubt it will be a fun evening, but it still makes a person wonder what's in store for us.

We continue to provide birthday baskets full of much needed items but also some fun things for the residents of Bridges in Norman each month. We will also be providing each student with warm scarves, hats, gloves and head bands and a gift card to Wal Mart. We answered a plea made by Food and Shelter for Friends of Norman who have been overwhelmed by the homeless seeking shelter and warm clothing by providing gloves and hats for them. We have an ongoing collection drive for toys, books, crafts, candy & personal items to fill wrapped shoeboxes each Nov. to support Operation Christmas Child.

Linda has been very busy visiting numerous schools in this area to obtain entries for our Outstanding Youth. And she is having a good response from several schools. We look forward to reading the entries but they are all so well qualified to be outstanding youth that it is difficult to choose just one.

Please keep two of our members, Judy Butcher & Connie Miller, in your thoughts and prayers. Judy is currently in the hospital with breathing problems related to asthma and Connie's husband was just released from a rehab center.

Plans are in the making for a Valentine's social for Delta Kappa. It will be revealed at our next meeting what we are going to do for our sweethearts. As usual it will most certainly involve good food and probably a few adult beverages.

Until next time.....wishing you a sweetheart kind of celebration with that special someone!!!

ESA PRESENTS PIN FOR 55 YEARS OF SERVICE

Members of Delta Chi Chapter of ESA (Epsilon Sigma Alpha, Int'l) met on December 21st at Chequers Restaurant in Midwest City. It was a surprise for one of their members, Laura Robinson.

Come Play With ESA!

Gamma Delta

Their lights shine brightly wherever they go...but never more so than at the December 10th 2016 Candlelight Dinner. This annual event continued ESA's theme of "Come Play With ESA!" and the party atmosphere prevailed as we showcased the installation of officers for 2017.

PHOTO: ESA Members from L-R: Dawn Haley (Pres)-Gamma Delta, Leslie Farabee (VP)-Eta Mu, Brenda Yates (Secretary)-Kappa Alpha, Charlene Law (Treasurer)-Gamma Delta, Jeannie Kindley-Lifton (Parliamentarian)-Beta Gamma & Darlene Cushenberry (Conducting the Installation of Officers)-Kappa Alpha

Gamma Delta member Charlene Law suggested a fun thing for us to do for our meeting and it came to fruition today. She suggested we get a pair of socks and stuff them with goodies for our secret sister. We got several interesting socks, as you can see. We each put on a sock that we received and took this photo. And I know I'm dating myself by this, but I burst out laughing thinking of Rowan and Martin's Laugh-In and the old phrase, "Sock it to me!" We had our fun today and got to "Sock it to the Gamma Delta Sisters!"

We're celebrating our **age** by telling everyone that the members of Gamma Delta held its 70th Anniversary Party in style!

Pictured L-R Delta Gamma members Byrdie Emanuel, Pat Britt, Joan Gallo, Mara Wheeler, Charlene Law, Marge Goodno and President, Dawn Haley

Gamma Delta's Blue and Gold color palate from napkins and plates to candles and plasticware reigned over the table and complimented its center attraction, the 70th Anniversary cake!

Gamma Zeta

In January the Gamma Zeta chapter of ESA will gather items for Free to Live, a no-kill animal sanctuary in Edmond. It is the largest no-kill sanctuary in Oklahoma. From Free to Live more than 200 animals are adopted out to loving homes each year. At the sanctuary, animals that are not adopted live out their lives with healthy food, shelter and medical care. Euthanasia is not practiced. Currently the most needed items are canned adult dog food, canned cat food, cat treats, cat litter, towels, and spray bottles for leaning purposed, and washable blankets. In September Gamma Zeta helped UR Special, in October they supported All Things Baby and in November the members helped Mobile Meals. If you would like to help this month, please call Free to Live at [405-282-8617](tel:405-282-8617).

After caroling and delivering presents to Bradford Village Nursing Home, carolers had worked up a big appetite so 24 of the Epsilon Sigma Alpha members and their spouses celebrated a Christmas dinner at Eddies in Edmond. Members work diligently all year to raise monies for the Baptist Boys' Ranch Town, No Boundaries, Project 66, Coffee Creek Riding Stables, Mobile Meals, UR Special, Free to Live, All Things Baby, and the Oklahoma School for the Deaf in Sulphur and the national philanthropic project is St. Jude Children's Research Hospital. These members do an outstanding job for our community.

Holiday Season and 2016 --- Is history. I hope everyone had a great time. Our members are looking forward to starting our year with a bang. I pray that 2017 will be a better year for our members and their health issues. Peggy, Patty, Linda, Stephanie's husband, Curtis, and Dee's husband, Bill, as well as the loss of our dear friend and Gwen's husband, John.

We enjoyed a great Christmas party. The food was delicious and the games were a great way for each of us to have fun. Then the Secret Sister, gift exchange, each trying to guess who their Secret Sister had been all year. Boy, did we have some great surprises.

We ended our year's activities by attending the Oklahoma School for the Deaf, State Project at Sulphur. We did not get to visit with our students but the tables were loaded with gifts for the students when they return to school. The food was very good and we really enjoyed the fellowship.

After all the fun, a business meeting was in order to begin the year. There was so much business to take care of but breezed through it with flying colors. Zeta Gamma members have a very busy few months but will enjoy every minute of it.

Showing Some ESA Love

This month we asked fellow ESA'ers to share some love for those who have made an impact on their life or the life of someone they know. Here are the responses we got. Let's just say Oklahoma ESA is full of amazing people who truly make a difference. ENJOY!

From: Nancy Buck

The ESA lady that has impressed me the most since I joined ESA in 1976... Wow that is very difficult, because there are sooo many. But is the many hundreds I have met... The one ESA lady would have to be: Judy Ritterman of Texas. As I sat "in awe" of all the excitement of International Convention in Portland, Oregon... So excited, yet scared, from being so far from this country girl's home town of Clinton, Oklahoma... This jolly, pleasant, down-to-earth. Beautiful lady sit down next to me in the lobby of this massive hotel, and says, "Hi "kid"! This your 1st time at IC convention?" I could hardly speak! It was early and my Okie sisters were not anywhere around to recur me, so I just "faked-it" and answered: "Oh no, I am just enjoying the quite!" Her remark back to me has lasted these many years... "wow! That is a really smart idea!" At that moment she laid-back in that big comfy chair, took my hand and closed her eyes and said: Heavenly Father, this is my sister, be with her always and show her how welcome she is to our ESA family, and help her to RELAX and have a good time at our Convention this week!! We love her and need her to help make our ESA family complete and strong!" That probably meant more to me than anything she could have ever done. Truly I did at that moment became a real ESA sister. Thanks Judy for that precious memory!!

From: Charlene Law, Gamma Delta

Who would have every thought a day trip to Eureka Springs would have made a HUGE impact on my life? From this trip I developed a lasting friendship that grows stronger with time. It was on this trip with Donna McCandless where this all began. She shared with me about ESA and all the wonderful things this organization did to help local charities as well as St Jude Children's Hospital. At that time the Tulsa Chapters sponsored an Arts and Craft Show and have raised monies for many local charities as well as St Jude. I was very impressed with all of this and very honored when Donna invited me to attend a meeting. Twenty-eight years later I am glad that I joined ESA and the Tulsa Chapter, Gamma Delta #702. Through Donna's friendship and that of the other chapter members I grew in ESA. Today our chapter has 9 members each one of them has enriched my life. Over the years several members have passed away all of whom are missed and remembered with love and happy memories. The current members are: Donna McCandless, Dawn Stapleton-Haley, Byrdie Emanuel, Marge Goodno, Pat Britt, Mara Wheeler, Joan Gallo, Jenny Lizama and myself. All of these ladies have made an impact on my life in so many ways. They each are very special to me and I treasure their friendship. ESA has helped me to develop many friendships outside of my local chapter and these have become lasting friendships as well.

From: June Miller, Beta Iota

There are so many ESA women who have had a huge influence on me...starting with Zelma Bowman who pledged me to ESA. I think that JOYCE WHITEWING SLATE has had the most influence in my ESA life. She was always ready to talk over any concerns I had. She always spoke with LOVE in her heart. I miss her. B.J. Clark who was the International Director of ESA and one of the most inspiring speakers I have heard. Rosalie Griffith who is now the President of the Epsilon Sigma Alpha Membership Corp is another. Charlene Harrell and Janette Murray and Betty Wilmot....all women who stand for ESA values and stand by your side, plus all the women in Beta Iota---past and present!

From: Mona Quaid, Beta Iota

THE WIND BENEATH MY WINGS is what this lady means to us...She is a member of Beta Iota, is the only member who knows all of the answers to all questions...the encourager of all things,,people,,places,,projects,,members, and without her, Beta Iota would just not be the same place and her loving and caring demeanor would surely be missed....

THERE IS AN ACTIVITY THAT I DO WITH MY CLIENTS TO HELP THEM UNDERSTAND HOW THEIR WORLD WOULD BE WITH OUT THEM, AND FOR A MOMENT, I WOULD LIKE TO EXPLAIN....IF YOU TAKE A PIECE OF PAPER, REMOVE A HUGE HOLE IN THE VERY CENTER, LOOK AT THIS HOLE AND HOW THE PAPER LOOKS WITH OUT THE PIECE,,,, THAT IS HOW BETA IOTA WOULD BE WITH OUT JUNE MILLER... I am not saying that June Miller is not going to be with us ...just to imagine how we would look, feel, and function without her..

June....Beta Iota 4283 of McAlester, Oklahoma...loves you and treasures you and you whole being....YOU ARE TRULY THE "WIND BENEATH OUR WINGS"

From Tawanna Cathey, Beta Iota

Knowing June Miller has made my life better. Not only mine, but countless others, our McAlester Community, District 5 and the State of Oklahoma. June represents the epitome of what ESA is; she has served at all levels of ESA for over 40 years. She is the glue that holds the great sisterhood of Beta Iota together.

June is the sounding board and advice column for me and many other ESA sisters. She is the first one to show up when there is a death by providing comfort and food. When sickness or injury strikes, she is the first one we call. Her vast knowledge and experience in the medical field is only surpassed by her desire to help, offer solutions or give advice on the problem at hand.

She inspires so many with her positive spirit, always seeing the best side of every situation we encounter. She diffuses many possible conflicts before they ever get started by pointing out what ESA" is" and why we are all sisters, making life better for each other and the communities we live in.

I have watched her give countless hours to ESA and never wavering from the "bigger" picture that ESA stands for. Because of her leadership, Beta Iota is an ever-present force to be reckoned with. During difficult times, she reminds us that "This too shall pass". And during good times, shows us how to live life to the fullest and enjoy the moment.

June Miller is an example I will never achieve, but can look up to with hope. I am privileged to call her my friend.

From: Margaret Kramer, Beta Iota

Our PJ editor Lori Few challenged us to share with our ESA Sisters who in ESA has made a positive impact in our lives. Well I am not sure where I should begin. I do not think that I could pick any one person. 2016 was an extremely stressful and difficult year for my family. As many of you know my husband fell and fractured his hip, had a failed repair, hip replacement, severe bone infection requiring IV antibiotics from April through September, 10 hospitalization and then a subsequent hip prosthesis replacement. I do not now know how I would have survived this roller coaster ride that George and I took without the love, concern, support and encouragement from my Beta Iota Sisters and ALL my Oklahoma State Sisters. ESA, and all that it represents, gives me a more positive perspective and the necessary tools to cope with events in my own life. When I consider and reflect on what the children and their families are enduring while in treatment at St. Jude's my problems don't seem as devastating, it makes me feel grateful. Thank you ESA for being my rock.

From: Lori Few, Beta Iota

My idea for "Showing Some ESA Love" started from that everybody should know how you feel about them. There is no time like the present to express how much you truly love or appreciate someone. So here goes: Beta Iota is more than just a local women's group. Beta Iota is family. The ladies who love you, when you can't love yourself, they help raise your children with their guidance and wisdom, they carry the weight of whatever load you can't bear by yourself. These women cook, pray, laugh, love, and even cry right with you, never behind you, always right by your side. There will never be anyone like June Miller, (a.k.a the Grand Poo-Bah). There will never be another New Yorker transplant, spit fire like Margaret Kramer. Nor will there ever be a more driven, classy, group cheerleader than Tina McKamie. There will never be another organization that can tout the claim that they introduced me to 22 of my dearest and best friends. Beta Iota brings out the best in each of us within the group. We are a well-rounded group of go getters, doers, achievers, goal setters, comedians, crafters, organizers, and most of importantly we are a group that LOVES each other. Never underestimate the power of a small group of committed people. They are the ones who will change the world.
