LET'S TACO BOUT ESA

Greeting ESA Family! I trust that everyone has had an enjoyable Thanksgiving. Merry Christmas and prayerfully 2019 will bring you much positivity, health, happiness and endless energy to accomplish all you do for ESA. It is impossible to believe that my "Keep Calm-Make a Difference in ESA" year's end is fast approaching. I have been having unbelievably gratifying experiences serving as your President. If anyone of you are hesitating about running for an officer on the OK State Council Board or taking on the Chairmanship on the State level, please don't hesitate and miss the opportunities and rewarding possibilities these positions afford. If you are not ready, start on a Chapter or District level. I recently posted a "stolen" banner and quote from an Illinois State University ESA Chapter member that rings true for me and hope it does or will for you.

The Membership staff at ESA International along with Oklahoma's Membership Co-Chair's Lola and Linda have been working diligently to grow our organization by encouraging local Chapters to plan a post-holiday get together to **TACO bout ESA** with the goal of recruiting new Chapter members. Headquarters has

recruitment information available to send you to assist with your planning, take advantage of this wonderful material.

I would enjoy joining your Chapter at one of your meetings or a fund raising event, please let me know and I will make every effort to join you. If there is anything that I can do for you or your chapter please just call, text or e-mail me, I am available to help in any way possible.

Just a friendly reminder to remember to financially support our organization on the IC, State and District levels by paying your respective Chapter dues and making donations to State Project, St. Jude, Easterseals, Disaster Fund, Foundation and Hope for Hero's. Sincerely appreciation if you have already done so.

Mark your calendars for these upcoming important dates:

February 23, 2019 OSB Tour/Eastern District Board Installation

March 9, 2019 Oklahoma State Council Meeting

March 16,2019 Western District Board Installation

April 26, 27, 28, 2019 Oklahoma State Council Convention

During the Holiday Season, we are all faced with stressful situations that do not occur other times during our lives.

It is so important to not only embrace those times, but put them in perspective.

Spending time with others who enjoy having fun, is one of the keys to being able to put things in perspective.

This past week end I had time to spend with a long time friend on a drive of about 50 minutes one way to a wedding. This time with her, allowed me to not only talk about life in general, but to be with someone who loves me unconditionally.

Not most of you are thinking ,,,really Mona,,,and yes I am telling you that spending time with people who love you unconditionally, that just listen and take time to be present...is the best present you can give or receive.

My theme this year is “KEEP CALM AND RELAX’ and keeping that in mind, what better way to remain calm, relax and put our busy schedules in perspective, than to be with others who we enjoy.

Going back to the beginning of this article, and being able to bring things full circle, please take time to not only Keep Calm and Relax, but allow yourself to enjoy the company of those who love you unconditionally and keep in mind that those stressors occurring now, will not be a part of our regular day to day functioning and “This Too Shall Pass”.

Please do not hesitate to contact me if you need any type of help with your Educational this year.

Ps. I have received educational report forms from

Calling all chapters!! What do you have planned for 2019 to recruit new members for your chapter or start a new chapter? Lola and I want to hear from you. We are here to help!

How about trying a fun " Taco 'bout ESA Party!!" Visit www.epsilonsigmaalpha.org/tacoparty for details or call Lola Jaegers or me, Linda Voss.

Let's get this going for January or February and start 2019 off with a bang!!! The more the merrier is a true statement! Share ESA with everyone.

A big thank you to those of you who wrote your "WHY" for me.

Most of our sisters come to meetings for the sweet fellowship. Some because they are officers and need to give a report. Almost all stay in ESA not only for our great sisterhood, but because they love joining with their sisters in accomplishing more together than anyone could do on their own. Especially the joy of being a part of something with a great impact that is bigger than themselves and seeing that a true difference is being made because of our efforts. It's a matter of leaving a legacy of some sort that is positive in a time of great negativity. So share, share, share ESA. Please take the time to let me know about your plans. Just email me at lindavoss365@yahoo.com.

By the way - We've gained 32 members! Congratulations on being in the positive instead the negative! Hope to hear from you soon!

All participants must be members of Epsilon Sigma Alpha International, and all interested individuals must file an entry form with me by the April 1st deadline.

I am attaching a copy of the form in this issue of the PJ, so take a look at all the categories.

Philanthropic News You Can Use.....

Hello ESA Sisters- All I want for Christmas, is for you and your chapters to start working on your philanthropic reports. The end of the year is always a great time to review all the projects that your chapter has been working on. Starting a spreadsheet to help track and tally hours and monies donated is a great way to stay organized. Remember the following helpful guidelines and as always, please contact me if you have any questions. Merry Christmas and Happy New Year!

I. General Information

- A. Hours and monies donated by an ESA member in “the name of ESA”, can be counted.
 - 1. Hours represent the time spent from beginning to completion of a project.
 - 2. Monies represent cash donations from the chapter treasury or by a chapter member to a service project.
- B. Donated Goods are estimated by figuring 15% of the retail value on used items and full retail value on new items.
- C. Roundtrip mileage (for driver only) on an ESA service project may be counted. For current rates, use the current IRS rate as of August 1st which is noted on the attached form.
- D. Civic services are community projects, not necessarily related to ESA projects.
- E. Individuals can count volunteer service hours done in an education setting or group activity even if their child is involved. Church activities cannot be counted if a member is employed by the church. Activities done for an organization associated with a church can be counted provided the chapter members are doing their philanthropic works in the name of ESA and it is indicated as an official chapter project in chapter minutes.
- F. Service monies are the portion of ways and means projects donated to charitable and civic projects.

CHAPTER CHATTERS

Happy New Year to all. Holidays are such a busy time, but our ESA sisters did get some fun time in together to celebrate Christmas. We all went to Lola's lovely home for our Christmas dinner and gift exchange. We had a wonderful dinner, secret sister exchange, and a right and left game with presents.

We do need some prayers for Mary Ann Jones who is recovering from her broken ribs, and Dee's husband Bill, recovering from pneumonia.

I wish everyone a safe and happy New Year, and see you all soon.

A Note from Kappa Theta, Guthrie

We have had a busy Fall! We visited the Bricktown Canal in September, going for a ride on one of the canal boats. In October we had fun decorating cupcakes for two philanthropic projects, with some of the decoration ending up on us! Eight from our chapter attended our District meeting at Clinton. We have three new members, so we are keeping them busy as well. We attended the Loom Knitting workshop conducted by Billye Peterson and Aletha Bolt as one of our educational meetings. Right now, December is a busy month in Guthrie with many activities like the Victorian Walk, Christmas Home Tour, Kiwanis Radio Auction with many of our chapter members volunteering. Our chapter also prepared sandwiches for Sooner Success, an entity that helps families with special needs children. We also will enjoy each other's company at our Christmas party to be held at new member, Jennifer Sparkman's house.

Delta Kappa, Norman PJ article-December/January, 2018

Delta Kappa members have been very busy Since Sept. and it doesn't look like it's going to slow down anytime soon. We have had lots of projects in process but we have been having lots of fun too.

Our October garage sale was a huge success. Delta Kappa spent many hours organizing this sale but at the end we were rewarded with a profit of over \$2000.00

Currently we have worked at 6 OU football games scanning tickets. We are done with football!!!! Yay!!!! We have worked 5 OU basketball games and only have 23 more games to work. Ugh!!! Thanks to our dedicated members who work lots of hours we are able to support our budget and philanthropic projects.

The annual "Grape Stomp" at a winery in Slaughterville was fun and funny. Sharon, Linda & Jeanne can help make wine and create artwork at the same time. Pretty unique T-shirt (See pics below)

The social at Native Spirits Winery was a blast. If we aren't helping to make wine, we are drinking it. This was a Halloween costume party and a surprise going away party for Jeanne Chisum who is moving to Indiana. Jeanne, we are going to miss you very much and do not want you to go. Faye Alexander made Jeanne a special cake to say goodbye. Our prayers will be with Sharon, Bruce and Linda as they start their caravan to move Jeanne on Thanksgiving day.

We are absolutely delighted to have Faye Alexander as a new member. She has worked behind the scenes numerous times to help Delta Kappa. She is witty & fun, talented & creative, energetic and willing to serve any way she can to help others. WELCOME FAYE! We are proud to have you as our Delta Kappa sister!

Each year we receive a donation of Halloween costumes from a local merchant. We spend several hours sorting and preparing the costumes for the kids at Goodrich Church and McKinley Elementary in Norman. The time spent on this project is well worth the effort when you see the happy faces of all the kids when they get to shop and receive a free costume for Halloween. Of course it's always fun for Delta Kappa to model a few costumes too. (See pics below)

Linda & Faye had a booth at the annual Goodrich Church Bazaar in Nov. Their booth featured hand crafted beautiful decorations for fall and Christmas. Sharon & Jeanne also assisted them by making or working in the booth. They made a nice profit to be donated to St Jude's. These talented and craft minded ladies are to be commended for participating in this bazaar every year to support St Jude's.

Vivian needed a 4- person team to bowl in ABWA's annual bowling fundraisers for scholarships. A team was instantly formed when Georgia, Linda, Sharon and Faye said "I'll do it". Their unique team name was "Gutter Queens" and they lived up to their name with a lot of help from Linda. Georgia, Sharon & Faye were experienced bowlers. Linda must have set a record for gutter balls thrown in a row. Vivian also had a second team headed up by my son-in-law, Robert McDow and 3 of his fellow league bowlers. They lived up to their usual high standard of bowling with numerous strikes in a row. Both of Vivian's

teams won a trophy. The McDow team had the highest score and you guessed it, the “Gutter Queens” had the lowest score. We had such a good time it didn’t matter about the score. The “Gutter Queens” are looking forward to next year giving Linda plenty of time to practice. (See pics below)

Gobble Gobble Gobble! I can smell that turkey and dressing as well as all the other delicious food prepared by our members for our annual Thanksgiving dinner. We will meet at Goodrich Church on Monday, Nov. 19 at 6:00 to enjoy this special meal. We will give thanks for all that we are blessed with.

Please be in prayer for our Delta Kappa sisters, Vivian, Doylene, Cherryl, Katie & Gloria because of health issues. You are in our loving thoughts and prayers for strength & healing.

With the holiday season upon us I would like to wish each of my ESA sisters a blessed Thanksgiving and Christmas. It’s such a special time of year with family traditions, an abundance of delicious food and the special times spent with family. And then January arrives and you have to lose the pounds from too much celebrating during the holidays!!!

Until next time.....

Gamma Zeta, Edmond

Gamma Zeta members: Jeannette Smith, Linda Coniglio, Veronica McCain Kathy Roderick, Sandi Robinson, Tietje German, Billye Peterson, Bonniedaye, and Shirley Moore are a few of the party attendees.

Celebrating Christmas by spending time with friends, good food, and fellowship is a great way to spend the evening and that is just what the Gamma Zeta chapter did this week. A night of fun games culminated with Dirty Santa which produced quite a bit of excitement. If you are interested in joining a fantastic group of women who give back to the Edmond community, call Linda Coniglio at 405-919-2052.

Pictured from left to right: Jacci Gantz, Gamma Zeta member, Amelia Lyle, UR Special Board member and Linda Wheeler work at UR Special Distribution day.

UR Special, a nonprofit, hosts three clothing distributions each year in the fall, winter, and spring, in which volunteers distribute more than 2,000 outfits per year to children ages 3 - 9. UR Special began distributing clothing in 1993. They aim to foster positive self-esteem in local children by providing new clothing to qualifying children 3 times a year. More than 125 local volunteers contributed time and material for the event. Their short-term success is measured by the smiles on the faces of the children they serve. Distribution is an exciting time and the joy of the children is contagious.

Pictured left to right: Bonniedaye, Jim Putnam, Billye Peterson and Veronica McCain attended the ESA Halloween party

Veronica McCain and Bonnedaye dressed up for the Halloween gala.

Epsilon Sigma Alpha's Halloween party was a success. Games and activities were held. Lots of food and laughter were shared by all who attended. The Edmond Epsilon Sigma Alpha's chapter of Gamma Zeta is an international philanthropic organization whose fundraising activities help several Edmond charities throughout the year. Gamma Zeta also works with Oklahoma School for the Blind in Muskogee and the Oklahoma School for the Deaf in Sulphur. The national project is St. Jude Children's Research Hospital. If you are interested in joining in the fun and giving back to the community, contact Linda Cogniglio at 405-919-2052.

Pictured left to right: ESA members Laura Howells, Veronica McCain, and Kathy Roderick

Epsilon Sigma Alpha members attended inspirational speaker David Barton's WallBuilders event. WallBuilder's goal is to exert a direct and positive influence in government, education, and the family. WallBuilders is an organization dedicated to presenting America's forgotten history and heroes, with an emphasis on the moral,

religious, and constitutional foundations on which America was built. This inclusive approach to American history is characterized by the work of influential historians and educators from George Bancroft to Noah Webster to Emma William, John Fiske, and countless others. WallBuilders presents an uncensored view of American history, thus not only giving meaning to history but also keeping it from becoming what Charles Coffin termed “an incomprehensible enigma.”

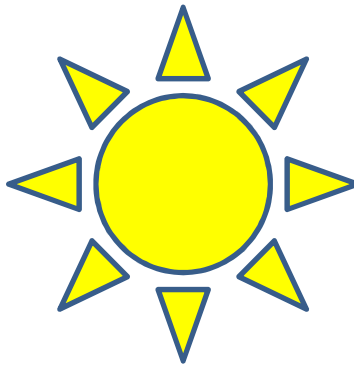

Pictured first row: Catherine Maguire, Bonniedaye’s daughter visiting from California, and Bonniedaye. Second row: Liz King, Billye Peterson, and Jim Putnam.

Several members of Epsilon Sigma Alpha’s Gamma Zeta chapter attended Boys’ Ranch Town Rodeo recently. The exciting event was a fun day filled with lots of excitement. Brent Thackerson, BRT administrator explained, “Our boys and staff look forward to seeing everyone at the rodeo. We’ve added calf roping as a new event this year.”

Boys of all ages who live on campus and staff children participate in the rodeo each year. From the youngest to the oldest, these young cowboys entertained the entire family as they competed in different categories. Additional outdoor games and activities were also on the campus. Approximately 250 people attended the rodeo and cookout.

Gamma Delta, Tulsa

Bring on the Paw-parazzi!

The sisters of Tulsa's Gamma Delta chapter were paws-so-tively going to the dogs in an effort to raise money for the G.I. Wishes 501(c)3 non-profit organization, A Pet for a Vet. November 3rd, 2018, Gamma Delta's rummage sale generated \$488 to contribute to their noble cause.

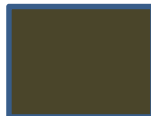

A Pet for a Vet matches rescue animals with veterans and families for companionship and foster care while service personnel are deployed. In addition, the organization handles foster care food, veterinary visits with participating animal clinics, boarding and medical care.

It costs between \$160 to \$200 to get a homeless pet ready for a veteran and his/her family. Gamma Delta members chose to support this worthwhile endeavor with the hope that one more pet or two can transition into its new forever home.

Don't bark up the wrong tree...you can find out more by visiting www.GIWishes.org or via email at GIWishesFoundation@cox.net.
