No one loves a good ear massage more than a dog. Just pay attention the next time you see someone rubbing them behind their ears. Notice the far off, dazed look in their eyes. Observe how their mouth hangs slightly open in a state of unconcerned bliss. Perceive how their little paws hang almost lifelessly in the air.

Of course, human and dog ears are radically different- we don't hear the range of frequencies that they can and we don't have quite the range of motion that they do in the ears. We can, however, enjoy a good ear massage ...

Learning how to massage your ears is a great asset because it is:

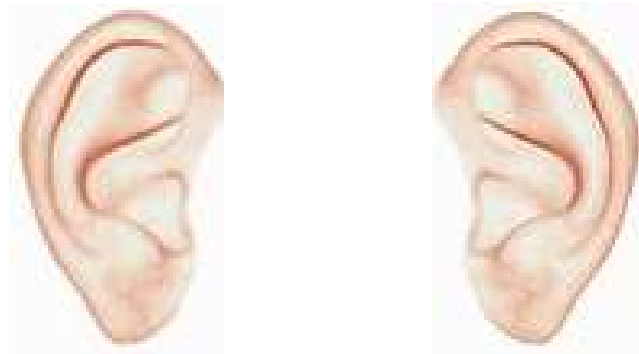

Quick.... Convenient.... Extremely relaxing..... Free

If you are at work or at school and want to take a quick, relaxing break, you could give yourself an ear massage. Unlike massage chairs or spa trips, you don't have to invest any money to get the benefits. This really is a massage therapy that you could enjoy any time that you want (Except when you are driving. Please do not massage your ears when you are driving!)

A simple ear meditation:

For the next minute or so, treat your ears to a peaceful dose of silence and healing energy. Rub both your hands together until some heat builds up. Cover your ears with the warmed cupped palms of your hands. Left palm cupped over left ear. Right palm cupped over right ear. Hold for about 30 seconds, then repeat.

Feel the warm energy relax and soothe the area in and around your ears. This simple practice is deeply calming.

Linda Jones, Association of the Arts Chair

Spring time is quickly approaching! Now is a great time to get creative and create a piece or two for the 2019 Oklahoma State Convention Association of the Arts.

All participants must be members of Epsilon Sigma Alpha International, and all interested individuals must file an entry form with me by the April 1st deadline.

A link to all contests forms and guidelines may be found on the Oklaesa.org website www.oklaesa.org/contest.

Remember your chapter could win the Clara Vaughan Dream Award, presented to the chapter having the highest percentage of member participation.

Alpha Theta Chapter #1038
Muskogee, OK

Dr. Billye Peterson presents Ardyce Briggs with her 70 years of service plaque at the 2017-2018 State Convention

State President Margaret Kramer congratulates Marjorie Szabo and Ardyce Briggs for 70 years of service to ESA

Ardyce Briggs Cont.

Alpha Theta Chapter #1038 of ESA celebrated their 70th year on November 14, 2018 at their business meeting. The chapter was chartered in Muskogee, OK on November 2, 1948. Ardyce Buse Briggs was the first president of the chapter, and is still an active member today. Ardyce led 7 women in their endeavors to open their hearts to learning, growing and serving others. With their cheerful giving and service they made a difference in Muskogee, Oklahoma as well as within their state. Alpha Theta has had two Oklahoma State presidents, Ardyce Buse Briggs in 1960-1961 and the late Patsy Temple in 1974-1975. Sandy Lackey a member of Alpha Theta was Ohio State president in 2012-2013. Active member Marjorie Szabo joined Alpha Theta in May of 1949. Today, Alpha Theta has 12 active members still striving to make a difference.

Thank you President Margaret Kramer for celebrating this milestone with Alpha Theta Chapter members.

Alpha Theta Chapter member Sue Averyt receives \$5,000.00
from ESA Disaster Fund

Sue Averyt lost everything when her home and personal belongings were destroyed extensively by a fire this summer. She is currently living with her mother, member Thelma Adcock and her son is staying with a friend. Alpha Theta members gave her a shower in October. When Sue applied for the fund, she was told that she might get \$500.00. She was in tears when she received her check and it was for \$5,000.00. She said it was truly a blessing and she can't thank the ESA Disaster Fund enough.

Alpha Theta is fundraising for the Disaster Fund by selling raffle tickets through the end of the ESA year. It makes us proud to belong to a sorority that helps each other as well as others. Our efforts for fundraising will not be forgotten.

Chapter Chatter

Sigma Chi of Inola (#5053)

In our February meeting we voted to join TAC as a Chapter (in lieu as individuals). Judy Cravens also presented us with a really interesting Educational on the *Underground Railroad* using the beautiful quilt she made depicting the symbols that were used in full size quilts back in the 1840's & 1850's to help guide runaway slaves to Freedom.

We recently got to enjoy Rosalie Griffith and her husband Lester celebrate their 60th Wedding Anniversary. Their children, Bill and Michelle, secretly planned the whole thing for Saturday February 2nd in Claremore, OK. Several of their family members came in from out of town and local friends were in attendance to surprise them and celebrate. (Their anniversary is actually Feb. 7th). Michelle, Rosalie's daughter, did an excellent job being sneaky when visiting back home, getting photos of Rosalie & Lester when they were very young and of their wedding for a PowerPoint presentation.

Our Chapter will be having a Bingo at the Inola Round-up Club on April 13, 2019 beginning at 4:00 pm. Money raised will go towards the Inola Library's summer reading program and other local needs. On June 15th we will be having our annual Crazy Sock Run for St. Jude.

So far this is all I have for now.

Gamma Zeta, Edmond

ESA's Gamma Zeta members attend St. Jude Dream Home Groundbreaking Ceremony. Members left to right: Liz King, Tietje German, Jacci Gantz, Sandi Robinson, patient Micah and his mom Nikki Oraene, and member Laura Howells.

International philanthropic organization Epsilon Sigma Alpha's Gamma Zeta chapter recently held a game night as their February social. ESA's purpose "is to inspire leadership and service by bringing people together to pursue programs and projects that make a positive difference locally, nationally and internationally." Edmond projects include Project 66, UR Special, All Things Baby, Free to Live, Mobile Meals, and Baptist Boys' Ranch Town. State projects include Oklahoma School for the Deaf in Sulphur, Oklahoma and School for the Blind in Muskogee, Oklahoma. ESA's national project is St. Jude Children's Research Hospital.

Gamma Zeta of Epsilon Sigma Alpha, an international philanthropic organization, held a bunco fundraiser. The winner chose the charity to which she wished to donate the proceeds. Coniglio won and choose Wings as the recipient. Wings exists to enhance the lives of adults with developmental

disabilities through social, vocational, and residential programs guided by principles of the Bible. Four days a week for four hours, adults can participate in day-program activities such as health and wellness, bible study, culinary skills, life skills, computer and art production. Over 3,000 volunteers give over 15,750 hours of their time to Wings each year. Last year Wings impacted 56,250 individuals. The Wings member community assists adults with Down Syndrome, autism, muscular dystrophy, developmentally delayed, traumatic brain injury, Prader Willi and other illnesses. Wings also host weddings, anniversaries, birthday and special events with the rental fee benefitting Wings.

Monday evening Linda Coniglio, acting president of Gamma Zeta, a chapter of Epsilon Sigma Alpha service sorority, officiated over the jewel pin ceremony for new member Veronica McCain. Epsilon Sigma Alpha is an international service organization for men and women to inspire leadership and service by bringing people together to pursue programs and projects that make a positive difference locally, nationally and internationally.

Gamma Zeta conducts fundraising activities for charitable Edmond causes. Also Gamma Zeta works with Oklahoma School for the Deaf in Sulphur, Oklahoma and Oklahoma School for the Blind in Muskogee, Oklahoma. Their national project is St. Jude Children Research Center. As a whole, the national chapters have created an impressive record of service. Each year members nationwide help raise millions of dollars for philanthropic projects and give an estimated 650,000 hours of personal service.

At the monthly meeting of Epsilon Sigma Alpha's Gamma Zeta Edmond chapter, JoAnn Bullard presented Linda Coniglio with a dozen red roses for her outstanding help with the chapter. Due to unforeseen circumstances, Coniglio is serving as president and vice president for several months. All members are especially grateful to Coniglio for her efforts to continue to reach Gamma Zeta's goals.

Gamma Zeta, Cont.

Save the date because on Feb. 5th Fish City will host a UR Special Fundraiser with Epsilon Sigma Alpha's Edmond Gamma Zeta chapter at their restaurant. Fish City will donate a percentage of their sales to UR Special that day. UR Special's mission is to foster self-esteem and a healthy lifestyle in at-risk and needy children in the Edmond area. They distribute new clothes three times a year in the fall before school starts, in the winter before Christmas, and in the spring before Easter. Volunteers man shifts during these two-day events held three times a year. UR Special faithfully serves 500 - 700 children ages 3 - 9 each distribution. If you would like to donate to this significant event, call Linda Coniglio at 405-919-2052.
