ESA'S GOT TALENT – SHOW US WHAT YOU KNOW

Hello Ladies, Now that the year is just about over for your educational books and entries to have been turned in. From what I have seen so far it looks like everyone has had fun with this theme. I would like to share with you how I got to “Show us what you know”.

My mother was a seamstress who worked in a tailor shop all her life. My father worked for the railroad sorting mail most of his life and in his spare time worked as a volunteer firefighter and part time as a caterer. He also built our house a little at a time. So, if I wanted to learn anything, I just followed them in their footsteps and figured out how to do it.

Fast forward to present time, if I want to learn anything, I Google it. They have been gone for several years now and wouldn't know about Googling, so, it's my fallback. If I want to learn how to do tile work to remodel the kitchen or bath room, I look to see how it's done in a book or on line. I learned to be a seamstress from my mother. I learned how to cook from my father. I learned to bake on my own. The rest I have learned from the internet and ESA. I have learned from all the wonderful women I have met over the last 18 years. I have also learned a lot including patience from my husband Bob and without him none of this would be possible. He is the one who introduced me to ESA through his mother Billye Lackey. Thank you for putting your faith in me to do this job, I hope I can do the rest of it to your expectations.

Sandy Lackey

PJ Editor

Boy, the year has passed very quickly!!! This is the last PJ issue for the year 2019-2020.

I have really enjoyed doing the Petticoat Journal. It's been quite a few years since I've did the PJ and this is much easier. I hope you have enjoyed the articles, pictures and news from each chapter.

Be sure to print out the 2020 – 2021 candidate's bios (pages 12-18) so you will have a copy for Convention. See you at State Convention.

PJ Editor
Gwynn Nell Swanson

Project Director

Wow! I think someone put 2020 on fast forward!

We've enjoyed being at the Eastern District Meeting at Oklahoma School for the Blind hosted by Counselor Sylvia Sterling, the informative high school principal, and our own Jeanne Meyer. We are proud of what is happening there and excited about all the student accomplishments.

Be proud of both of our state schools, OSD and OSB; they are both doing great! Also take a look at their websites and FB pages as they are recognizing accomplishments, happenings, and keeping us all informed. Thanks to Aletha Bolt for posting some of them on our ESA FB site for those of us who are not so adventurous on computers.

I'm pleased to tell you that chapter donations have started to come in, and I've already received one service report. I hope all chapters will be able to contribute some; if not the recommended \$50 or more, but what you can. As of the end of February, I've put \$2616 in our fund, thanks to your generosity. We have had several memorials, honorary, and personal donations as well as chapter ones. I'm happy to take any amount to the bank; it's become my favorite thing to do!

Also, I need those service reports sent to me as well. It's rapidly zooming to deadlines and then convention time.

Remember to send St. Patrick's Day and Easter cards to the students and birthday greetings, if needed. Those students really love mail from you!

I hope to see you at the Western District Meeting and/or the March State meeting. Until then, keep me busy running to the bank.

Kay Brader
State Project Director

Junior Past President- Disaster Fund Chair, Margaret Kramer

ESA Takes Hollywood year has flown by. Hope that as you read this last edition of the 2019-2020 PJ, you reflect on the accomplishments that the State Council, chapters and you, as an individual member, of Epsilon Sigma Alpha have achieved while helping others. It was an “Lights, Camera, Action” year. To date one member was awarded \$5000.00 and a second members request has been sent to the International Council Disaster Fund Chair, Kim Kummer for consideration. I want to thank all the chapters and members who have made a donation to the Disaster Fund; thanks to your generosity these ladies who have suffered a catastrophic event in their lives will see some financial relief and the sense of support from their sisters. Remember it’s not too late to send me a contribution. If I receive your donation by April 1, 2020 you will be included in the Disaster Fund Contest judging as well as get a raffle ticket for each \$5.00 donation. The winner will receive 3 homemade cakes, German Chocolate, Cheese and Carrot. Looking forward to seeing everyone at the Black-tie Affair celebrating, Linda Leveridge and “ESA Takes Hollywood” and looking forward to “Making Beautiful Music Together” with Mona Johnston.

Judy Cravens: Contest Chairman

Due to the fact that we now only have two District Coordinators, it would be very difficult if not impossible for them to be present at multiple contest judging.

It was voted at our September 14, 2019 Leadership meeting to change the judging contest rules in the Blue Book, State Contest Policies and Procedures, 3. Judging Contest to read:

Judging committee for respective contests shall consist of no less than five (5) members and no more than ten (10) members and two (2) alternates. There shall be no more than two (2) members from any one chapter on an individual judging committee. c. The assigned District Coordinator **And/or** Sooner Seniorette must be in attendance during the contest judging, d. District Coordinators, Sooner Seniorette and Chairperson of the contest shall not participate in actual judging, but act in an advisory capacity only.

If the District Coordinator is not available, a Sooner Seniorette can be in attendance during the judging.

Robbin Brown – Convention Chairman

Join President Linda for a great 3-day weekend at the Reed Convention Center in Midwest City.

Due date for registration of \$120 is March 31. Don’t forget to make reservations at the Sheridan Hotel with room rate of \$99. We are rolling out the red carpet just for you!!!
See you May 1, 2, & 3.

For 100 years, Easterseals has served as an indispensable resource for individuals with disabilities, veterans, seniors and their families.

The 68 affiliates in communities nationwide serve 1.5 million people through high-quality programs including autism services, early intervention, workforce development, adult day care and more.

Thank you to all the chapters who submitted donations for Easterseals this year.

Linda Jones
Easterseals Chair

To All:

Convention is quickly approaching. Please send a copy of your Service Report to me by April 1st. Put all of the cash and monetary donations not sent to the Foundation office on the ESA Foundation line. Please do not put the donations on there that was send directly to the Foundation.

Chapters consider donating an item or items to the Easter Seals/ESA for St. Jude/ESA Foundation Auction at State Convention. Also bring items or gift cards to June State Council meeting and give them to Cathy Holsted or Judi York for the Foundation Auction at International Convention.

Thanks for assisting me in getting the word out about the available scholarships. I would appreciate your Help again. Start talking about the scholarships now; they will be available somewhere around the first of October. The deadline is January 31, 2021.

Consider becoming a Life Active Member of the Foundation. If Oklahoma gets two life members between June 1, 2019 and May 31, 2020, we will get \$100 per 2 members. We have made one \$100. We will be giving away ESA Foundation regular memberships at State Convention. If you are not a member already, Stay tuned we will tell you how you can win one.

Until then, be kind to one another.
Vivian Gibson, ESA Foundation State Counselor

Beta Iota 4283 - McAlester

The women of Beta Iota presented our Outstanding Youth, Outstanding Senior and DAA Award at our January meeting.

In February we held our 3rd Annual Mom Prom fundraising event at the McAlester Country Club. The theme was dancing through the Decades. We had our biggest crowd to date.

Also, in February we completed our annual Strawberry Fundraiser for Valentine's Day. It was a huge success in our community!!

In March, the ladies of Beta Iota attended a Bingo Event supporting Relay for Life. We also partnered with Relay and raised funds for St. Jude and The American Cancer Society.

We look forward to the upcoming convention in May as we support one of our own as she becomes the New President of the Oklahoma State Council of ESA. We are so proud of you Mona and will be there to support you!!

At convention Friday night we are sponsoring a Trivia night. Please see attached flyer for the event!! It will be a blast!!!

Melissa Byrum, Beta Iota

Delta Kappa 3538, Norman

Delta Kappa is breathing a sigh of relief or maybe instead it's shouts of joy with the completion of working the sports season at OU. By scanning the tickets at all of the OU football, basketball and gymnastic events we have met and exceeded our budgeted income amount which makes us all very happy. Thanks to several dedicated DK members who worked long hours and our organized awesome W & M's chair, Georgia Smith, we can proudly declare this project a total success and DONE!!!

Our educational programs have been outstanding this year. Faye Alexander, Educational Director, has presented several fun and crafty projects for us to expand our artistic ability. We have painted on wine glasses, painted & decorated canvases with a spring and Easter theme to be given to the residents at the VA Center in Norman. Faye gave demonstrations on floral arranging and Sharon taught us how to dye Easter eggs with shaving cream. Katie instructed us on how to make decorative boxes out of used greeting cards and Sharon showed us how to repurpose used greeting cards into post cards.

Congratulations to our own Gloria Torres for being installed as the vice coordinator for the Western District. We will be there to support you! Congratulations to all of the officers who were installed at the meeting on March 7 in Guthrie. We had 7 members in attendance. Due to the COVID-19 virus several of our upcoming events have been canceled or postponed. We are disappointed that President Linda's last State Council meeting in Skiatook had to be canceled. We had a fun weekend planned. We also had to postpone our annual Closet Sale to benefit St Jude's Hospital in March until it's safe to have large gatherings. To protect the residents at the Veteran's Center we will have to delay the Spa Day we provide each May for the lady veterans. It's really a special day for the ladies only party.

Several Delta Kappa members are looking forward to the 2020 Oklahoma State Convention to be held at the Reed Center in Midwest City. As one of the host chapters we are working hard and planning to provide our Okla. ESA sisters with another great convention. We look forward to welcoming you to President Linda's "Black Tie Affair". See you soon for lots of fun and entertaining events.

Until next time.....Take precautions and protect yourself from COVID-19 and stay well!!!!
