Music is Good for the Soul

Music Is Good for the Mind, Body, And Soul: Singing **Improves Memory, Mood in Dementia Patients**. In addition, the act of singing or listening to music was also found to alleviate depression in volunteers with mild Alzheimer's-type dementia. Music listening was also beneficial in supporting general cognition and working memory in volunteers with moderate dementia.

Why does music make us feel so good?

Music can also make us feel good by **amplifying our current mood** (think of the 'pleasure' of wallowing in a sad song when you're feeling down); it can also trigger fond or poignant memories. Then there's the social side: singing along with friends to a new tune from your favorite band fosters a powerful sense of belonging.

This is why music and music therapy can help counteract or prevent the damaging effects of chronic stress, greatly promoting not only relaxation but health. **State of Mind:** Music can also be used to bring a more positive state of mind, helping to keep depression and anxiety at bay.

Care Connection- Marilyn Joplin. She encouraged participation in Hope for Heroes and has forms, also available on our website.

They stay and attend classes Monday through Thursday and go home for the weekend. She also stated the little village was now complete on the campus. The school also has sports programs.

Happy Fall, Sisters!

It's a busy time of year with school starting and settling into a new routine. It's that way at our state schools anyway! Caitlin at Oklahoma School for the Deaf and Tonya at Oklahoma School for the Blind are working hard to register new students and connect with returning ones. Both ladies have said they would be contacting you in September with information. Both Tonya and Caitlin have sent me a copy of sponsors and students they now have assigned in their schools. So, if you haven't heard from them, September is a long month for them, just be patient. I really appreciate these hardworking ladies! If there is a question at the first of October get with me, and I will get it to the school involved. I'm sure one of these busy ladies will work with me to help straighten out any problems or situations that may arise. Both schools have new students so if you haven't gotten your name in to be a sponsor, please let me know. Most, still needing to be adopted, need only remembrances and cards; let's not leave any student out!

In the event a member's chapter requests additional help for them after one claim has been paid, the State Committee MUST investigate the application thoroughly. **The Disaster Fund is not an on-going source of assistance; a second claim will not be paid for the same illness or accident.**

If the State Committee establishes that the additional need is valid, the application must be submitted (along with the information regarding the reasons for recommending the additional claim) to the International Council Disaster Fund Committee Chairperson. Following receipt of such an application, the International Council Disaster Fund Chair will review with the committee, comprised of the IC Disaster Fund Chair, the IC President, and the IC First Vice President/President-Elect, and will make the final determination regarding the additional claim.

WHO IS ELIGIBLE TO APPLY: (1) Active Members of 90 days or more, (2) Members-at-Large who are in good standing with Headquarters, (3) Life Active Members will be determined by the IC Disaster Fund Chair in agreement with the IC President and First Vice-President/President Elect.

If you have any questions or need assistance with forms please do not hesitate to contact me at 918-617-3130 or mghnurseok@aol.com.

Bakeless Bake Sale For the ESA 2020 Convention

A bit of news we have today,
A bakeless bake sale is under the way.

In these busy days,
Who wants to bake pies, cookies or even a cake?

You’d be surprise if you counted the cost
of materials, heat and the time you’ve lost.

Baking for sales is extra work
Yet nobody really wants to shirk.

So, we’ve thought of a plan that’s truly grand,
And feel quite sure you’ll understand.

In an envelope, please put the price
Of a pie, cookies, cake or something nice.

Without the fuss or bother,
You’ve done your part,
We hope you’ll give with a willing heart.
This is the end of our little tale,
Wishing success for our bakeless bake sale.

Thank you,
Linda Leveridge
ESA State President

This edition, we will take some time to cover a couple of frequently asked questions about Easter Seals.

What types of services does Easter Seals provide?

Among our services: early intervention, inclusive childcare, medical rehabilitation and autism services for young children and their families; job training and coaching, employment placement and transportation services for adults with disabilities, including veterans; adult day services and employment opportunities for older adults – in addition to a variety of additional services for people of all ages including mental health and recovery programs, assistive technology, camp and recreation, caregiving support including respite – and much more.

Additionally, we've served transitioning military, veterans and their families and caregivers since WWII and continue to be the "go to" resource for them to help ensure their successful transition to civilian life.

Are Easter Seals services limited to specific types of disabilities?

No. We serve a wide range of disabilities, both visible and invisible. Across the nation, we remove physical, cultural, attitudinal and legal obstacles so people with disabilities have every opportunity to live meaningful and productive lives, on their own terms. We exist to provide the best services and opportunities for people with disabilities in communities nationwide.

ESA Foundation

Hi Everyone: PLEASE NOTE: There is a correction on the deadline due date for the scholarships. It's January 31, 2020 instead of February 1.

Please try to pay your dues before December 1. The Foundation would rather spend money on good projects instead of mailing out dues' reminders.

Thanks to all of our life active members. Oklahoma had 6 new Life Active Members. Over all there were 97 new Life Active Members between June 1, 2018 and May 31, 2019 which were recognized in Memphis at IC Convention.

The new Life Active Membership Drive for June 1, 2019 to May 31, 2020 will be recognized in Grapevine, TX at IC 2020. The Life Active Membership is \$500 and can still be paid in 2 payments of \$250 but it does have to be paid in full by May 31, 2020 in order to be recognized at IC in Texas. Remember, this doesn't have to just be for you, or even an ESA Member. It can be family members; it can be businesses and guess what.... it is a great birthday or holiday gift idea for that special person. Because of all of the support in the 2018-2019 campaign, the ESA Foundation was able to establish a St Jude Graduate School of Biomedical Sciences grant.

The mission of the St. Jude Graduate School of Biomedical Sciences is to educate and to train future generations of scientists seeking to understand the molecular basis of human disease and develop novel therapies based on that understanding.

The St. Jude Graduate School of Biomedical Sciences is designed to maximize student potential through self-directed learning, with guidance by world-renowned researchers and clinicians. Instruction is given in a dynamic environment that annually provides education and training to more than 200 affiliated undergraduate and graduate students, 300 postdoctoral fellows, 170 medical students, and 45 clinical fellows. Collaborative and translational research enables students to choose individualized paths to success and leadership in scientific discovery. These opportunities also raise awareness of the value and urgent need to develop young scientists who will discover cures and advance treatments for catastrophic childhood diseases.

Until next time, "Be Kind To One Another"

Outstanding Youth

Now that school is back in session this would be a good time for your chapter Outstanding Youth Chair to visit the schools in your town and also in the smaller towns in your area. Take a copy of the guidelines and requirements to the councilors at both the Junior and Senior High Schools. Be sure and leave your name and number with the councilors and encourage them to call you with any questions.

Also make the schools aware of the scholarships and grants that are available through the ESA Foundation. You can contact Vivian Gibson about how to apply to the Foundation. These youth contribute so much to their community, school, and church and still excel at the academic level. Let's invest some time in rewarding these much deserving students with the OSY Award. I have learned that most things involve a deadline and this contest falls in to that category.

I must have your entry for contest postmarked no later than March 1, 2020.

The official judging sheet is published in this issue of the PJ and the guidelines, which are very detailed, will be found on the Oklahoma ESA web site. If you prefer to contact me at 405-630-8744, I will be glad to mail a copy of the guidelines to you.

Start your search now for your OSY and make a difference in a student's life. You will be glad you did!!!

State Philanthropic

I know that by now you're in full swing for this year. Time to share with us all what great philanthropic projects you are enjoying! Looking forward to hearing from all of you and don't forget to log those hours and moneys. If you're trying something new let us know how that's going as well. Hope to see and hear from you soon.

Linda Voss
Philanthropic Chairman

Beta Iota

The women of Beta Iota are excited to get back in the swing with our first meeting September 19th 2019.

This summer we have had some amazing events! In May, we had our annual car show. We had great weather and were blessed with some amazing car entries. On the same day, a few members of Beta Iota entered The Grill Masters Steak cookoff in McAlester. Although they didn't win, they had a great time serving up some amazing steaks.

In June, Beta Iota held the Miss McAlester Scholarship Pageant. We had a wonderful group of young ladies participate. We crowned Samantha Donato as Miss McAlester 2020, Estella Kirk as Miss McAlester Outstanding Teen 2020 and Ava Aldridge as Princess. These young ladies have already been sharing their platforms and talents with the McAlester community.

In August, the ladies of Beta Iota enjoyed lunch at Roseannas Italian restaurant and wine at Whispering Meadow Winery. It was great to see everyone and catch up with our sisters.

We have many fun and exciting things planned for this year so stay tuned!!

Delta Kappa

We have started our W & M's project of working at the OU Football games by scanning tickets for the six home football games. We have 3 down and 3 to go. Then we will start scanning tickets for the 30 OU basketball games. Lots & lots of hours but we also make lots of money for our budget. The dedicated DK members who work these long hours deserve a big reward for working so tirelessly to make this project a success!!! Thank you to Georgia (W & M's chair) Danny, Linda, Helen, Gwynn Nell, Jan, Betty, Sharon, Bruce, Katie, Faye, Janice & Gary.

*The State Council Leadership on Sept 14 held at Goodrich was a huge success. Linda did an awesome job of preparing and presenting a great program for approximately 70 Okla. sisters in attendance. DK did an outstanding job of preparing the baked potato and salad luncheon. It must have been delicious judging from all the empty bowls. Thank you to our Okla. sisters for supporting Linda and enjoying the day with us. DK members attending and working to welcome our guest were Linda, Sharon, Gloria, Katie, Nancy, Cheryl, Doyleene, Helen, Betty, Vivian, Joyce, Jan, Georgia, Gwynn Nell, Faye & Janice. Great job ladies.

*October brings another garage sale on Oct 25 & 26 at Goodrich Church. We have two large storage units full of great merchandise to offer at this sale to support St Jude and our scholarships. If you come and shop, I know you won't leave empty handed. We have something for everyone from furniture, household and kitchen items to clothing.

*Linda and Faye will have a booth at the annual "Angels Unlimited" craft bazaar at Goodrich Church on Nov 1 & 2. They will have beautiful handmade fall and Christmas items for sale. Linda will have a new supply of home canned jellies, pickles and okra for sale also. These 2 gals are super talented. You saw a sample of their work at the State Leadership meeting. Come and shop, you will be glad you did.

*Delta Kappa worked at the beautiful Dream Home on three Saturdays. We had fun greeting so many people and showing the home to promote a sellout of the tickets to support St Jude and help the kids.

*Please keep the following DK sisters in your prayers for continued health problems & healing- Vivian, Nancy, Doyleene, Cheryl, Donna, Anne, Joyce, Gloria, Mary and Katie's husband, George!

*Until next time----- enjoy the beautiful fall season!!!
