5. REASON FOR Member-at-Large Inactive Status

1. Name and/or Address Change. For an inactive member whose name and/or address is changed but who is remaining active with your chapter. Please give name and/or address as it appears on our records as well as new name and/or address.
2. A Member-at-Large remains active internationally by paying annual dues even though they are not affiliated with a specific chapter. The member receives the *JONQUIL*, is eligible to attend state and international conventions and may attend chapter meetings upon invitation of a chapter.
3. A Transferee is an active member who wishes to affiliate with another chapter. Please send the following information: former chapter name and number; member's name, city and state as carried by Headquarters; new name and address.
4. An inactive member is a non-dues-paying member who has severed all contact with ESA on the international, state, and chapter levels. This member does not receive the *JONQUIL*, has no convention privileges, may not attend chapter meetings (except upon the invitation of a chapter if intending to reinstate). Also loses all educational and cultural opportunities derived from participation in ESA activities.
