

Dear Friend,

Did you know that we were founded as the Oklahoma Society for Crippled Children, Inc.? Since 1925, we have provided services in Oklahoma to people of all abilities. Over the years we have adjusted our services to meet the needs of our community and even changed our name a few times. Along with our board of directors, we have once again evaluated the needs of our clients, and determined that in order to better meet the needs of Oklahomans it was time to make a change. **Effective August 31, 2017, we will change our name from Easter Seals Oklahoma to WovenLife, Inc.**

Although our name is changing, the services we provide within our community will continue. We remain committed to serving the needs of people of all ages and abilities through our inclusive Child Development Program, Adult Day Center, unique intergenerational programming, educational programming, therapy services; which include behavioral, speech and occupational therapy, and financial assistance program. With this new change we will refocus to become completely concentrated on the local needs of our community, ensuring every dollar raised goes back into our community to serve Oklahomans.

We are committed to empowering people of all ages and abilities to find hope and independence through compassionate care, education and support. If you have any questions about these changes, please do not hesitate to contact me at 405-239-2525. Please visit us online (beginning August 31) at www.wovenlifeok.org to stay up-to-date on our programming and events. I sincerely thank you for your support over the years, and look forward to your continued involvement in the vital work we do in our community.

Sincerely,
Paula K. Porter
President & CEO
