

**MAY**

ESA sisters, thank you for electing me at the State Convention to represent our Oklahoma State Council as the 2nd Vice President/Educational Director. It is truly an honor.

If you attended the convention, you know the newly elected 2nd Vice President was asked to announce her theme.

My theme for 2008-2009 is,
“ESA...It’s Made in Oklahoma”

Newly elected chapter chairs, you now have 12 months to plan your educational theme for your year; present a minimum of 6 educationals to your chapter; complete the educational form on each and send to me for your **Gold Link Award** entry at: jerae97@hotmail.com or secondvp@oklaesa.org. As you are planning your educational programs, consider creating a **Gold Seal Entry**.

Note!!! You can fax me your reports at (405) 282-7793.

If you do not have a computer, please contact me for the educational forms by mail: 2101 E. Cooksey Rd. Guthrie, OK 73044 or by phone (405) 623-5884.

I especially want to encourage your chapter President to nominate you for the **Distinguished Athenian** upon your completing a Gold Seal entry.

ESA...”It’s Made in Oklahoma”
Sister educational chairs, did you know there are literally hundreds of products made in our great state? For ideas, I encourage you to view their website: www.madeinoklahoma.net.

What you can expect from me: My mini-educationals will be brought to you in the form of verbal reports, handouts, and as articles published in the Petticoat Journal. The fun part is I will bring some samples to taste or to look at. As I travel across the state I will purchase some fun items from the company to give away as prizes.

As we step out of the norm, I will schedule one field trip in each of our four districts during the year. WOW!!! Doesn’t this excite you for something really new and different...

ARE YOU MOTIVATED YET???

Join in on a fun-filled year!!!!!!
