BEAMS from Your President

The calendar has turned to a new year, and our journey to “Light the Path to ESA’s Future” continues. What an exciting time of the year this is! We have recovered from the rush and bustle of the holiday season and look forward with eager anticipation to the 65th Annual State Convention, “Where in the World is ESA?” Before State Convention, we have the OSB Tour on February 23rd, District Installation meetings, and March State Council Meeting.

Here are ideas for maintaining and expanding your chapter’s membership:

1. Reach out to memers by way of email, newsletter, and a telephone tree, before chapter nmeetings as a reminder, and to catch up on the latest news. Interest spurs growth and shows caring.
2. Keep busy women active! Utilize every member’s talents. Recognize all efforts.
3. Provide interesting informative, and exciting programs. Use your greatest resources, your members to present educations. You know they’ll be interested.
4. Collaborate with other organizations in your community.
5. Promote personal care and concern for each other. Draw names at the beginning of the year and try to see that your buddy gets to all meetings. Drive together. It is fun and safer, expecially if it is an eveningprogram.
6. Participate in community projects in the name of ESA.
7. Promote attendance at chapter, District, State, and IC meetings and events. There will be lots of memories and remember whens.

**Happy Holidays
From Deb Hughes**

“Indulge Yourself”

Deb Hughes

2nd Vice President & Educational Director

Cheers for a great 2008! As a new year begins many people make resolutions, usually a resolution to change a habit or stop a negative routine. Today I propose that we all make a positive resolution to begin something new. Let's resolve to commit to your chapter educational program.

Give yourself the opportunity to “Indulge Yourself”. Volunteer to prepare and present an education program to your chapter on a topic you have always wanted to study. Be creative. Make it fun and involve your members. It is possible to incorporate the program with a service project or be inventive and merge your program with a fundraiser for your chapter philanthropic efforts. Be sure to send me a report of your program by April 1, 2008.

Perhaps it has been a while since your chapter has submitted reports about your education programs. How about resolving to submit at least six timely reports about your programs? This will make your chapter eligible for the Gold Link Award. There is still plenty of time as the deadline is April 1, 2008.

Has it been a few years since your chapter has submitted a Gold Seal Entry? A Gold Seal Entry is a notebook compiling all of your chapter education programs for the year, a minimum of six timely reports. Resolve to assist your chapter educational director prepare your entry; the deadline is April 1, 2008. The notebook can also serve as a great tool to share with prospective members about programs your chapter has had.

Chapter Presidents, how long has it been since your chapter has nominated your educational director as Distinguished Athenian? If you chapter is in the process or already completed the above requirements, send me a letter highlighting her outstanding contributions to your chapter, community and state council. The deadline is April 1, 2008.

I feel quite confident that our Oklahoma chapters have positive and enjoyable experiences with their educational programs. Resolve to participate in the state education program and let others know what you are doing too. Don't wait until the last minute and miss the deadline, April 1, 2008. Resolve to get started and do it today; send me your reports.

Feel free to give me a call or an email if you need assistance preparing a program or have questions. I enjoy visiting our Oklahoma chapters.

Resolve to “Indulge Yourself” and have an amazing experience learning through ESA.

Treasurer's Report Gwynn Nell Swanson - Treasurer

THANK YOU, THANK YOU to the chapters that have already paid their chapter dues. The holidays are over and a New Year is beginning. I am really happy to announce that 42 chapters paid their dues before the January 1st deadline. You can still pay your chapter dues but make sure they are paid before the March 1st deadline. Any dues paid after January 1st will not have voting rights at State Convention.

I truly believe that we can still achieve a 100% chapter dues paid this year. Will you please help us accomplish this? Check the list found elsewhere in this issue to see if your chapter treasurer paid your dues. If you do not find your chapter name marked on the list as being paid, please encourage your chapter treasurer to send a check immediately.

REMEMBER the members dues are **\$3.00** now, NOT \$2.00. Make the check out to the Oklahoma State Council and send it to me: Gwynn Nell Swanson, Oklahoma State Council Treasurer, 2406 CR 1280, Blanchard, OK 73010.

Let's "get r done" this year and have 100% chapter dues paid in 2008. Thank you for supporting your State Council.

By-Law Changes Due

Joyce Gibson-Madden - Parliamentarian

Welcome to the beginning of a wonderful year. The bylaws were distributed to the chapter President or representative at the August Leadership. Those that did not attend the Leadership, received their copy by email or snail mail. The bylaws are available on the Oklahoma State website at <http://members.cox.net/oklaesa/> under the heading There has been some confusion as to whether members can submit bylaw changes or not.

FYI: This is what article XVIII states: These bylaws may be amended every odd year at the annual convention of the Oklahoma State Council by a two-thirds vote of voting delegates present and voting, provided amendments have been approved by the Executive and General Board, and published in the April/May issue of the Petticoat Journal. Proposed amendments must be submitted to the State Parliamentarian by March 1. These bylaws are amended in *even* number years *when deemed necessary by the Executive Board* with all the same rules and voting requirements as above.

Since this is an even year (2008), any bylaw changes submitted to me by the March 1 deadline will be presented to the Executive and General Board at the *March State Council meeting* for approval.

Please get any bylaw changes to me prior to March 1, 2008. Stay warm

Junior Past President/Disaster Fund Chairman Robbin Brown

Boy, did 2007 go out with a bang! My family truly “celebrated” the 100th anniversary of Oklahoma by living in the same manner as the Oklahomans did 100 years ago. We will probably still be cleaning up our yard for the next several months, as many of you probably will, too.

As of January 5, I have received donations from the following chapters: Kappa Alpha 5393, Tulsa; Robbin Brown 5110, Choctaw; Zeta Gamma 4253, Shawnee; Beta Mu 606, Lawton; Eta Epsilon 2840, Skiatook; Alpha Nu 5425, Arapaho; Gamma Pi 5091, Inola; Delta Epsilon 2091, Del City; Eta Omega 3022, Grove; Sigma Chi 5053, Inola; Alpha Theta 1038, Muskogee; Alpha Zeta 3067, Pawhuska; Beta Psi 498, Clinton; Beta Zeta 3158, Oklahoma City; Alpha Epsilon 175, Enid; Zeta Alpha 2292, Grove; Gamma Kappa 4018, Checotah; Eta Mu 2877, Owasso; Chi Epsilon, Talihina; Epsilon Beta 5073, Enid; Alpha Sigma 3085, Vinita. If your chapter has not made a donation as of yet, or would like to donate more, there is still time to send it to me.

April 1 is the deadline line for any donations for the 2007-2008 year. Are we close to my goal of \$3200.00? Let’s just say continue to send in your donations and you will find out at the 2008 State Convention. I know we can accomplish this so “The Light to ESA’s Path Shine Bright” for the future of our sisters.

District II News Linda Southerland - Coordinator

The weather was not kind to many of you in the state. The ice storm kind of missed us out here in western Oklahoma for which we are grateful. Wish I could say the same for those of you in OKC and to the north and east of us.

Well, the holidays are over and I ate too much Thanksgiving turkey and Christmas cookies just like I always do. Hope each of you had Happy Holidays!!

My holidays were mixed. Thanksgiving was not too joyous as both my husband and son were still not doing well. My son is still using a feeding tube since the stroke affected his swallow muscles. He did get to come home for Christmas because he has progressed enough to be able to walk on his own without any help. It was a wonderful Christmas. God has been good.

I really enjoyed the November State Council meeting at Hennessey. The shopping on the mall was fun. Christmas gift exchange was exciting. My secret sister is a good one, she got me a beautiful pin and earring set. It was great to see my ESA sisters across the state and visit. Ramona is doing a great job of getting us to travel to other parts of the state for the meetings. I look forward to going to Roman Nose in March. Hope there will be a great turn out for the meeting.

Well I have completed nine months of my term as District II Coordinator and it really hasn't been bad. More people should try it. It would be wonderful to have a full slate of officers volunteer to serve. It offers you the opportunity to visit with the other districts across the state and see what other chapters are doing for ESA. Think about being an officer in your chapter or district. Maybe even a State Office.

Until next time, hope you keep safe, warm and well.

DIANA

Dr. Billye Hansen Peterson - Chairman

Deadline for all DIANA entries is March 1, and I can hardly wait to read the entries!

If you're using the Guidelines from International, remember we eliminated #4 which reads "What type of family involvement do they have with their children and their activities?" We felt this wasn't fair for those local DIANA's who were not married and had no children. The judges will be instructed to ignore any entry which contains this section.

What a great opportunity in January and February to publicize ESA, your chapter, and your DIANA's accomplishments! Take advantage of all media outlets in your area. And please invite me to any special DIANA presentations you're having. I'll try my best to be there! Good luck!

Send DIANA entries to:

PLEASE CHOOSE FROM THE ABOVE BY NUMBER.

Please let me know by February 10, 2008 what your chapter would like to order. Please remember I have to order in cases (4 carriers to a case), so if one chapter wants 2 carriers then I need other chapters to order the remaining two. I will be able to deliver in the Tulsa area or at the tour of OSB in February. Please email me at garysprinkle@hotmail.com or call 918-813-3382. I will confirm your order and will sell/bring candy at the March State Council Meeting. Make payment to me (Peggie Sprinkle) and send to 8201 E. Norman Street, Broken Arrow, OK 74014. I will pay the bill and send profit to Easter Seals since there is a shipping charge. As I am starting this new position, I hope you all will support Easter Seals this year. I made a trip to Oklahoma City and visited with the President of Easter Seals of Oklahoma. The tour with the Director of the Child Care Center showed off the great facility there.

Easter Seals has been serving 1.3 million families living with disabilities since 1919 and is the second largest voluntary health organization in the U.S (NonProfit Times, Nov. 2005). Today Easter Seals is the country's leading provider of services for people with autism. Now is the time for all chapters to make a pledge to help children and adults with disabilities & their families thru Easter Seals. This can be done with a contribution (send a check to me made out to Easter Seals) and by bringing used cell phones & empty inkjet, laser, fax & copier cartridges to me at OSB Tour Feb. 23rd or the State Council Meeting March 16th.

Please consider President Ramona's challenge for all chapters to have a fundraiser before April 1st. In years past some chapters have had candy sales. This has been done thru the Oklahoma Easter Seals Chairman. I have not at this time found a supplier of fund raising candy in Oklahoma but will continue to search. A suggestion was made to purchase candy at SAM'S and resell or pass a jar around at a meeting for donations or have a special project or some chapters have budgeted for a contribution. I have many other suggestions. Please contact me at garysprinkle@hotmail.com if you have any questions.

I have received contributions from Beta Psi and Gamma Kappa. Thank you sisters! Let's continue to light the path for these families and make this year great.

**Philanthropic News
Nancy Buck - Chairman**

Hi to all. Hope your year has started of with a BBBang! Good News! The IRS has increased mileage rates to 50.5 cents a mile effective 1-5-08. It's a time to get going again and get serious about earning those Philanthropic hours and monies... lots of new projects happening, as well as the "Dream Homes." Just don't forget your mileage along with your hours.

Thank you to all the chapters who have kept my mailbox and email busy with reports. I still have not heard from every chapter, but it is so interesting to read about all the special projects and different projects across the state. No matter how long or small the project is, report it. Remember to get your reports in by March 1, 2008. The reports must be postmarked by March 1st. The report can also be by email.

You might remember to report the last minute things your members did over the holiday season such as the gifts they might have sent to OSD or OSB students. Include any local holiday contributions that they might have made as individuals.

Ok the rest is up to you. Have fun and enjoy all your projects and activities. That is who ESA is all about. I might even have a surprise at State Convention.

I will need all of your reports no later than March 1st..2008....

Good Luck in all you do this year and remember to HAVE FUN!

**Publicity Chairman
Susan Patterson**

Hello Ladies,

Publicity is the best way to inform the public about ESA. You're chapter publicity chairman can do press releases, ads, post fliers or word of mouth. Some of the most effective publicity ideas are often creative and unusual. Letters to the editor are a good way to communicate to the public about an ESA event that is occurring in your community.

Please send me a copy of the articles from your local paper. All the information you send to me I will put together for Ramona's publicity book. Applications must be received no later than March 1, 2008. Get those entries in!

**Flag Ceremony
Nellrita Barrick - Chairman**

Ladies,

Seventy-Six Trombones Led The Big Parade. Hearing that song always gets me fired up. The annual Flag Ceremony at each state convention not only fires me up, but instills within me, such pride for ESA Oklahoma!

It is now that time of the year to start planning for your chapter to be represented in the Flag Ceremony at the 2008 State Convention. Please, let's have every ESA chapter in Oklahoma represented in the Parade of Banners. If you do not have a banner, it is our desire that you will join in the march as well. (Remember the chuckles from the group when Alpha Nu's Louise Maloy pretended to be holding up a banner? And, the next year, as chapter president, she carried a lovely new banner.) Speaking of chapter presidents, if you are reading this and no longer hold that office, kindly pass this information on to your successor and/or membership.

Okay, now that you have been reminded, I need you to forward me the following information as soon as possible:

Chapter Name, Number & City:

Banner Bearer's Name:

Address:

Telephone:

Email:

Look in the next PJ for additional information on the 2008 Flag Ceremony.

Best wishes to each of you, my sisters, as we say "Bye to 2007 and Hello to 2008."

5. Scrapbook will be for display only at convention.

6. First, Second, and Third Place Certification will be awarded. The decision of the judges will be final.

7. All contests IC guidelines will follow the guidelines listed on web site..

What do you call your mentor: Your advisor, councilor, guide, tutor, guru? Where I grew up, a mentor was referred to as, “My Rabbi.” And it had nothing to do with being Jewish. My Rabbi was my teacher and protector. Mentorship is a relationship between a person with experience and a less experienced protégé or pledge. A mentor has knowledge and experience in a particular area and is willingly to share that knowledge.

A good mentor is committed to the task of helping a new member find success and fulfillment. As with any commitment, the mentor must have a plan and set some goals. Plan to visit with or call your pledge on a regular basis. Make it your goal to keep a log of your communication and discussions with her. Your notes don’t have to be formal but by looking back at them, you will see the concerns of your pledge and areas that you may want to clarify for her before she becomes frustrated. Frustration leads to annoyance, disappointment and dissatisfaction. Eventually dissatisfaction may cause her to feel that no one is listening or cares, so why should she bother. These negative feelings can be avoided by having a mentor who is willing to take the time to communicate and coach.

A good mentor communicates hope and optimism. She shares her belief that the newest member can overcome all her anxieties, frustrations and challenges and accomplish great things in the future. A good mentor maintains and fosters a positive attitude.

Does your chapter assign a mentor for each new pledge? If not, why not? A pledge or even a member who has been in ESA for awhile frequently will have a question they need answered but are afraid to ask or they don’t know who to ask. There needs be a person they can turn to for an answer. Choose your mentors carefully. They must be knowledgeable, patient, understanding, have a positive attitude and have the desire to share their love of ESA. Mentoring can be a challenging endeavor requiring time and energy but the reward is in knowing that your effort will make a significant and positive impact on an ESA sister.

An Expression of Gratitude

A sincere and heartfelt "Thank You" goes out to all of you who recognized the need for increasing Epsilon Sigma Alpha membership and went the extra steps to sponsor a new member.

Congratulations to each new pledge that took a leap of faith and joined ESA. We are pleased to welcome you and call you "Our ESA Sister."

To those who have made the effort to recruit new members, my genuine appreciation. Remain positive and you will succeed.

Though we have not yet reached our goal of increasing membership over the previous year, your outstanding hard work has brought us closer to our objective. Success is within our reach. Keep your spirits high. Believe in yourself and Oklahoma ESA will achieve a successful membership drive.

The list below is presented as a way of recognizing and congratulating those who have Sponsored and Pledged ESA from April 2007 through November 2007. Please join me in thanking all of them. Well done!

Barbara Stapleton - Sr. Membership Chair

Donna Shook – Editor

Dear Members,

We are up to 90 members who receive the PJ by mail. That number is climbing because of the difficulties experienced by our ladies who are unable to get the PJ by computer. Servers play a frustrating part of this situation. Many servers do not allow for the size of the PJ to go through, so it is returned to me. Even though I keep trying different methods, your servers are trying to protect your e-mail from “spam.” (I have never thought of myself as “spam”.) Yes, we have many bugs to work out in order for this to work. Please remember that this year is a trial run.

To the presidents and other officers of chapters where your ladies cannot get the PJ, please run it off or send it by your email. Often if you are on the same server, it will allow you to send whenever it shuts me down. Again, if I can help in any way, then please contact me at rshook@cox.net.

KAPPA THETA #5414

Kappa Theta members Jacque Edwards, Shelly Labus, Marie Thomas, Connie Johnson and DESA Jessica Ward attended State Council in Hennessey on November 10th, attending both the Board and non-board Christmas party. What a great time we had!!

We also collected items for Hope for Heroes that we took to State Council in Hennessey. This project has taken on a personal mission for us as our sister Toni Ward's fiancée will be leaving for Iraq shortly. May God richly bless the men and women that serve our country and their families.

Our Kappa Theta family has grown. We have a new member, Libby Zaage and she is a wonderful addition to the ESA family. She has jumped in and has been wonderful about helping with projects especially sponsoring students. Welcome Libby!

November was a busy month for our chapter. Guthrie hosted a big Centennial Day parade and members were busy selling peanuts, coffee and bottled water during the parade. Several ESA sisters throughout the state attended our parade. We're glad that you came to spend the day in Guthrie. We gathered beforehand at State Project Director Jacque's house to bag roasted peanuts for our parade fundraiser.

In December, we sold roasted peanuts downtown during Guthrie's Victorian Christmas Walk and also on a snowy Saturday. Funds from both fundraisers were used to buy Christmas gifts for children at the Logan County Youth and Family Shelter.

Members met at the home of Libby Zaage on December 19th for our annual Christmas party and gift exchange. We had a wonderful time of fellowship.

May 2008 be a wonderful New Year for you and your families!

Miss Skiatook Area Pageant

Each year, our Skiatook Chapter sponsors the Miss Skiatook Area Pageant, which was held Saturday, February 2, 2008. The pageant is our chapter's foremost fundraising event of the year. We had a great turnout, and our ladies worked long hours to make it a success. We are grateful to everyone who supported us in putting on this pageant.

Looking forward to see all of you at our next meeting in Muskogee.

Thank you,

Dream House Giveaways are Being planned in Yukon and Tulsa Areas for 2008. As you may remember, Oklahoma ESA Members sent Over one million dollars to St. Jude's Hospital last year. It was an awesome amount of money raised here in our state. Let's get behind the chapters who are sponsoring these houses as well as all the other ways and means that our ESA sisters are involved in. Let's show everyone we can do it again.
